*From Wolf to Supermutt and Everything In Between* Erika K Gosi, 2022-05-03 When Erika adopted Mila, she naively believed that like instant soup, she wouldn't have to go through the process of cooking all the ingredients from scratch. She wouldn't have to house train, obedience train, or intensely socialise a mature dog. Mila quickly proved how misguided she was. Her favourite pastime was zealously chewing Persian rugs while the living room became her personal toilet. Alternatively, when asked to sit, lie down, or come, she'd throw herself on her back in submission and refuse to move. Thunder and fireworks sent her rushing around in a mindless panic, while the sight of other dogs turned her into a screaming banshee. Does this sound familiar? Introducing *From Wolf to Supermutt and Everything In Between*, a book to guide you and your dog to happiness and harmony. Predominantly written with information based on research studies, the book also includes anecdotes based on Erika's own experience to give it the personal factor. Erika's portrayal of all things canine begins with their evolution and domestication, the fundamental processes that triggered our ongoing relationship with dogs. Additionally, the book banishes a few myths and explores the significance of nature vs. nurture, including the importance of genetics, breeding, and socialisation. Understanding how our dogs think and learn, knowing the source of canine behaviour problems, including the impact of detrimental and positive training methods, we can prevent many behaviour problems and positively shape our dogs into happy hounds.

But resisting a young woman as appealing as Faith was like trying to win a war without any weapons. And it seemed the harder they fought not to fall in love, the closer they came to losing the battle.

fighting dogs and then thrown on a rubbish tip and left to die a barely living skeleton The author and his wife adopted this unfortunate waif and so began a long period of recuperation and training as they gradually helped Sheba back to full health and to live sociably and happily within their pack of rescue dogs A story of real triumph over adversity full of emotion and a fair amount of humour too Sheba's is a real life tale of just what can be achieved in rehabilitating a dog having suffered a living hell from the brink of death to a life full of happiness Cassie's Tale Cassie was just over two years old when she joined Brian and Juliet's family of rescues having already had three previous owners in her short life The tiny little terrier soon wormed her way into the hearts of the family and her antics and oversized attitude quickly earned her the nicknames The Mad Ferret and The Wicked Witch of the West Cassie can best be described as a pocket dynamo or as the author puts it She is filled with boundless energy and despite being fourteen years old now she's like a Duracell bunny without an off switch Penny The Railway Pup Penny a tiny terrier was abandoned in a particularly cruel manner From being attacked and needing emergency surgery to days out at the coast chasing seagulls and stately homes Penny's life in Brian's pack of rescue dogs has never been anything but interesting and eventful Remembering Dexter After being thrown out from a moving car on a motorway and rescued from the dog pound by Brian Porter and his wife Dexter had a happy life in their family of rescue dogs On the 8th June 2019 Dexter a Labrador Staffy Crossbreed passed away after a year long fight against illness Part funny part serious and part tragic this is the story of Dexter's life Dylan The Flying Bedlington Whipped beaten and abused for the first year of his life Dylan was eventually left tied to the gates of a dog sanctuary with a note telling of his treatment The fates were smiling on the little Bedlington terrier however as the author and his family adopted him the very same day and Dylan began his life as part of the author's Family of Rescue Dogs From his appearance at a national dog show to chasing squirrels in the forest Dylan has led a wonderful happy life since being rescued Muffin Digby And Petal When Juliet Porter saw an advertisement for Puppies For Sale little did the author expect that instead of one puppy they would end up adopting 3 adorable little pups from the same litter This is the story of those three puppies who in nine years have remained inseparable to the extent the family refer to them as one dog with twelve legs literally doing everything together and bringing laughter and joy to everyone with their antics
