Bower,2016-08-25 When a young lady from a land boom syndicate tries to enlist Andy Green s help in a scheme to lure settlers to Montana he isn t interested until he learns that the land selected was part of the Flying U Ranch      **The Flying U's Last Stand** B M Bower,2021-02-13 Andy Green chief prevaricator of the Happy Family of the Flying U and not ashamed of either title or connection pushed his new Stetson back off his untanned forehead attempted to negotiate the narrow passage into a Pullman sleeper with his suitcase swinging from his right hand and butted into a woman who was just emerging from the dressing room He butted into her so

emphatically that he was compelled to swing his left arm out very quickly or see her go headlong into the window opposite for a full sized suitcase propelled forward by a muscular young man may prove a very efficient instrument of disaster especially if it catches one just in the hollow back of the knee The woman tottered and grasped Andy convulsively to save herself a fall and so they stood blocking the passage until the porter arrived and took the suitcase from Andy with a tip inviting deference Andy apologized profusely with a quaint cowpunchery phrasing that caused the woman to take a second look at him And since Andy Green would look good to any woman capable of recognizing and appreciating a real man when she saw him she smiled and said it didn't matter in the least That was the beginning of the acquaintance Andy took her by her plump chiffon veiled arm and piloted her to her seat and he afterward tipped the porter generously and had his own belongings deposited in the section across the aisle Then with the guile of a foreign diplomat he betook himself to the smoking room and stayed there for three quarters of an hour He was not taking any particular risk of losing the opportunity of an unusually pleasant journey for the dollar he had invested in the goodwill of the porter had yielded the information that the lady was going through to Great Falls Since Andy had boarded the train at Harlem there was plenty of time to kill between there and Dry Lake which was his destination The lady smiled at him rememberingly when finally he seated himself across the aisle from her and without any serious motive Andy smiled back So presently they were exchanging remarks about the journey Later on Andy went over and sat beside her and conversation began in earnest Her name it transpired was Florence Grace Hallman Andy read it engraved upon a card which added the information that she was engaged in the real estate business or so the three or four words implied Homemakers Syndicate Minneapolis and St Paul said the card Andy was visibly impressed thereby He looked at her with swift appraisal and decided that she was all to the good
