**Air Commandos Against Japan** William T. Y'Blood, 2008 1943 General Henry H Hap Arnold the commanding general of U S Army Air Forces wanted to demonstrate that Allied forces could use ships in the air just like the Navy used ships on the sea to stage an aerial invasion of Burma Air Commandos against Japan tells the story of how within a few short months these daring aviators trained and equipped an entirely new kind of organization moved it to India established bases and then led it into combat in support of an eccentric and combative British officer named Orde C Wingate In Japanese occupied Burma where terrain made a textbook frontal assault on the Japanese impossible the Air Commandos took an unorthodox approach to the fight using unconventional hit and run tactics to confuse the enemy and to destroy their lines of communication and supply This book describes how the unit successfully attacked the enemy from the air resupplied British commandos on the ground and airlifted the wounded out of the battle area eventually driving the Japanese out of Burma BOOK JACKET *Usaf Air Commando Secret Wars from Laos to Latin America* Eugene D. Rossel, 2016-07-15 The Air Commando secret wars happened mostly during the Vietnam War time frame and was a global effort involving USAF volunteer personnel who were given official military orders that did not necessarily specify the country they served in and civilian clothes were many times authorized Later they had great difficulty proving that they served in many of these countries which affected their future VA care These operations were used to strengthen normally a poor country with little military resources and training with secret warriors frequently being there doing some of their legwork behind the scenes All the operations were tight lipped frequently forbidden to tell families where you were and what you were doing As an example Capt Bob Simpsons death the first fighter pilot KIA in Vietnam in August 1962 became a total fabrication of where why and how and took a number of years before the government came clean because of my efforts Secret wars have a long history and they will continue because of the interest of more powerful nations with their less fortunate brethren **Air Pictorial and Air Reserve Gazette**, 1955 [Air Warfare in the Missile Age](#) Lon O.
