## **Flying Under Fire Canadian Fliers Recall The Second World War:**

*The Necessary War, Volume 1* Tim Cook, 2014-09-09 Co winner of the 2014 2015 Charles P Stacey Award Tim Cook Canada's leading war historian ventures deep into World War Two in this epic two volume story of heroism and horror of loss and longing sacrifice and endurance Written in Cook's compelling narrative style this book shows in impressive detail how soldiers airmen and sailors fought the evolving tactics weapons of war logistics and technology It gauges Canadian effectiveness against the skilled enemy whom they confronted in battlefields from 1939 to 1943 from the sweltering heat of Sicily to the frigid North Atlantic and from the urban warfare of Ortona to the dark skies over Germany The Necessary War examines the equally important factors of morale discipline and fortitude of the Canadian citizen soldiers The war was an engine of transformation for Canada With a population of fewer than twelve million Canada embraced its role as an arsenal of democracy exporting war supplies feeding its allies and raising a million strong armed forces that served and fought in nearly every theatre of war The nation was mobilized like never before in the fight to preserve the liberal democratic order The six year long exertion caused disruption provoked nationwide industrialization ushered in changes to gender roles exacerbated the tension between English and French and forged a new sense of Canadian identity Canadians were willing to bear almost any burden and to pay the ultimate price in the pursuit of victory As with his award winning two volume series on WWI Tim Cook uses original sources letters from soldiers rare documents and maps of battlefields to illustrate the contributions and sacrifices made by what is often called the greatest generation Magisterial in its scope The Necessary War illuminates Canada's past as never before From the Western Front to the home front Canadians served many roles in a war that had to be fought and won

**Fight to the Finish** Tim Cook, 2015-09-29 Winner of the 2016 Ottawa Book Award The magisterial second volume of Tim Cook's definitive account of Canadians fighting in the Second World War Historian Tim Cook displays his trademark storytelling ability in the second volume of his masterful account of Canadians in World War II Cook combines an extraordinary grasp of military strategy with a deep empathy for the soldiers on the ground at sea and in the air Whether it's a minute by minute account of a gruelling artillery battle vicious infighting among generals the scene inside a medical unit or the small details of a soldier's daily life Cook creates a compelling narrative He recounts in mesmerizing detail how the Canadian forces figured in the Allied bombing of Germany the D Day landing at Juno beach the taking of Caen and the drive south Featuring dozens of black and white photographs and moving excerpts from letters and diaries of servicemen *Fight to the Finish* is a memorable account of Canadians who fought abroad and of the home front that was changed forever

**Escape, Evasion and Revenge** Marc H. Stevens, 2010-03-10 A truly remarkable story Marc Stevens has produced a fitting tribute to his father who played a full part in the defeat of Nazi Germany HistoryOfWar.org Peter Stevens was a German Jewish refugee who escaped Nazi persecution as a teenager in 1933 He joined the RAF in 1939 and after eighteen months of pilot training he started flying bombing missions against his own country He completed twenty two missions

before being shot down and taken prisoner by the Nazis in September 1941 To escape became his raison d'être and his great advantage was that he was in his native country He was recaptured after each of his several escapes but the Nazis never realized his true identity He took part in the logistics and planning of several major breakouts including The Great Escape but was never successful in getting back to England After liberation when the true nature of his exploits came to light he was awarded the Military Cross He then served as a British spy at the beginning of the Cold War before emigrating to Canada to resume a normal life This is the story of a heavily conflicted young man alone in a world that is in the midst of destruction He is afforded an opportunity to help his persecuted people to obtain a small measure of revenge It is at once a sad yet uplifting tale of thankless and unheralded heroism This is a wartime career that would make any son proud but Steven's real triumph is in writing a biography that will satisfy the most discerning historian National Defence Journal **The Canadian**

A celebration and a tribute to the warriors of the air who as young men served their country with unselfish devotion Hear their words Join these young Canadians in combat AN EXCERPT FROM THE ACCOUNT OF GROUP CAPTAIN RAYNE SCHULTZ 410 SQUADRON It was heading home very fast a Junkers 188 in thin cloud well out over the North Sea We hit it badly and it was flaming two three hundred yards of flames streaming behind my navigator being a serious minded individual said Let's get in closer and take a good look at it as it is a different type of aircraft and I can report on it when we get down So I closed in which was the stupidest thing I ever did The mid upper gunner was not dead he was sitting inside of the flames The next thing I saw the gun traversing down toward us I broke as fast as I could but he put forty to forty four 13mm cannon

shells into us I had pistons blown out of one engine and the constant speed unit blown out in the other We were going to bail out We jettisoned the door and the navigator was halfway out when the chap came back from the Ground Control Intercept GCI and said There is a Force 9 to 10 sea and we will never be able to rescue you So we brought that aircraft back to Bradwell Bay and I can tell you it near flew again My navigator was wounded bleeding from the face I could see the engines running red hot one was actually running on molten metal the whole thing glowing inside The air bottles were shot away and I had no brakes for landing The Mosquito was in ribbons *The Front Page Story of World War II* Robert Reid,1994

*Clio's Warriors* Tim Cook,2011-11-01 Clio s Warriors examines how the Canadian world war experience has been constructed and reconstructed over time Tim Cook elucidates the role of historians in codifying the sacrifice and struggle of a generation as he discusses historical memory and writing the creation of archives and the war of reputations that followed each of the world wars on the battlefield Only recently have military historians pushed the discipline to explore the impact of war on society In analyzing where the practice of academic military history has come from and where it needs to go Clio s Warriors plays a vital role in the ongoing challenge of writing critical history **Return of the Dambusters** John Nichol,2017-09-26 A history of the RAF s 617 Squadron during World War II from bombing Nazi battleships to attempts on the lives of Hitler they were involved in attempts on the lives of enemy leaders including Hitler and Mussolini and they created a false fleet on D Day which fooled the Germans among other crucial missions but they also suffered brutal losses with seventy five percent of 617 Squadron killed in action by the end of the war In this awe inspiring book John Nichol himself a former RAF flight lieutenant retraces the path of 617 Squadron s most dangerous sorties the ones largely lost to history With the sensitivity of a fellow soldier Nichol gains unprecedented access to the surviving Dambusters whose moving personal stories add depth to this impressively researched history The result is a tense poignant story of courage by men who braved death time and time again in the name of freedom Praise for Return of the Dambusters A truly epic tale of courage and sacrifice an intensely moving epitaph to the men of Bomber Command Andy McNab bestselling author of Bravo Two Zero A straightforward account considers all sides to these precise missions Kirkus Reviews This is both an exciting book and a saddening one a tale of victory in the end magnificently told in lip biting detail The Daily Mail UK Drawing on interviews with survivors as well as archive material the book is a story of human suffering in the air and on the ground The Times UK

**Cleveland in World War II** Brian Albrecht,James Banks,2019-03-25 Berthed on the Cleveland lakefront the battle hardened submarine USS Cod serves as a proud reminder of the wartime contributions from the Greater Cleveland community Clevelanders did their duty and more from round the clock work on the factory assembly lines to the four Medal of Honor recipients on the front lines The Cleveland Bomber Plant churned out thousands of B 29 parts while Auto Ordnance Co developed the design for the Thompson submachine guns used by GIs on nearly every battlefield Indians pitcher Bob Feller left the game to go into the service and Clarence Jamison flew with the famed Tuskegee Airmen Through interviews

and archival material authors Brian Albrecht and James Banks honor a time when Clevelanders of all stripes answered the call to arms     Congressional Record United States. Congress,1977
