become the inspiration for his pointed observations on everything from the psychology of fishing Fishing is still an oddly passive aggressive business that depends on the prey being the aggressor why even the most veteran fisherman will muff his cast whenever he s being filmed or photographed the inevitable accumulation of more gear than one could ever need Nature abhors an empty pocket So does the tackle industry or the qualities shared by the best guides the generosity of a teacher the craftiness of a psychiatrist and the enthusiasm of a cheerleader with a kind of Vulcan detachment As Gierach likes to say fly fishing is a continuous process that you learn to love for its own sake Those who fish already get it and those who don t couldn t care less so don t waste your breath on someone who doesn t fish A Fly Rod of Your Own is an ode to those who fish that brings a skeptical wry voice to the peril and promise of twenty first century fishing Booklist
