Focus On Canada:

Canada Today, 1984 Queer/Muslim/Canadian Momin Rahman, Maryam Khan, 2024-10-17 This book presents original qualitative research on the lives identities and experiences of queer Canadian Muslims and is the largest study to date on this population Presented through a queer intersectional framework the volume contains core evidence based chapters on the lived experience as well as the transnational politics of Islamophobia and LGBTQ rights promotion the research on Muslim attitudes to queer issues and the representations of queer Muslim issues within Canada Key issues covered include queer Muslim organizing how queer Muslims reconcile faith sexuality and gender identity through affirmative and liberatory frameworks and actions how Muslims in Canada respond to sexual and gender diversity The contributors also lay out future academic and research possibilities for further investigation and for the development of equity practices for recognizing and challenging the oppressions suffered by queer Muslims addressing the discussion to queer Muslims as well as mainstream LGBTQ groups and mainstream Muslim groups

Strengthening the Canadian Armed Forces through Diversity and Inclusion Alistair Edgar, Rupinder Mangat, Bessma Momani, 2019-11-20 The Canadian Armed Forces has not always embraced diversity and inclusion but its future depends on it As the country s demographic makeup changes its military must adapt to a new multicultural reality and diminishing pools of people from which it can recruit Canada s population is increasingly urbanized immigrant and not necessarily Christian white or bilingual To attract and retain CAF personnel the military will have to embrace and champion diversity while demonstrating that it is inclusive Using a number of cases to highlight both challenges and opportunities **Strengthening the Canadian Armed Forces through Diversity and Inclusion** provides a timely look at an established Canadian institution in a rapidly changing world The editors explore how Canadian Muslim youth LGBTQ individuals women racialized minorities Indigenous communities and people of non Christian faiths see their experiences in the CAF While diversity is a reality inclusion is still a work in progress for the Canadian Armed Forces as it is for society at large

The Violators: No Human Rights for You (Canada) Octave Altair, 2011-10-23 Fact based account of the struggle by Project Freedom Canada to protect and preserve the integrity of the Canadian Charter of Rights and Freedoms and the Constitution it is a vital part of within Canada From a group of Fundamentalist Christians that obtained power in Canada and proceeded to abuse that power by targeting a portion of the population within Canada for the divestment of their Charter protected Rights and Freedoms and thousands of other innocent victims for imprisonment

Rethinking Canadian Aid Stephen Brown, Molly den Heyer, David R. Black, 2016-06-09 In 2013 the government abolished the Canadian International Development Agency CIDA which had been Canada s flagship foreign aid agency for decades and transferred its functions to the newly renamed Department of Foreign Affairs Trade and Development DFATD As the government is rethinking Canadian aid and its relationship with other foreign policy and commercial objectives the time is ripe to rethink Canadian aid more broadly Edited by Stephen Brown Molly den Heyer and David R Black this revised

edition not only analyzes Canada's past development assistance it also highlights important new opportunities in the context of the recent change in government. Designed to reach a variety of audiences, contributions by twenty scholars and experts in the field offer an incisive examination of Canada's record and initiatives in Canadian foreign aid including its relatively recent emphasis on maternal and child health and on the extractive sector as well as the longer term engagement with state fragility. The portrait that emerges is a sobering one. This book is essential reading for anyone interested in Canada's changing role in the world. Published in English

Right-Wing Extremism in Canada Barbara Perry, Ryan Scrivens, 2019-08-19 This book comprehensively examines right wing extremism (RWE) in Canada, discussing the lengthy history of violence and distribution, ideological bases, actions, organizational capacity and connectivity of these extremist groups. It explores the current landscape, the factors that give rise to and minimise these extremist groups, strategies for countering these groups and the emergence of the Alt Right. It draws on interviews with law enforcement officials, community activists and current and former right wing activists to inform and offer practical advice, paired with analyses of open source intelligence on the state of the RWE movement in Canada. The historical and contemporary contours of right wing extremism in Canada are situated within the social, political and cultural landscape that has shaped the movement. It will be of particular interest to students and researchers of criminology, sociology, social justice, terrorism and political violence.

Environmental Education in the 21st Century Joy Palmer, 2002-09-11 Environmental education is a field characterised by a paradox. Few would doubt the urgency and importance of learning to live in sustainable ways, but environmental education holds nowhere near the priority position in formal schooling around the world that this would suggest. This text sets out to find out why this is so. It is divided into six parts. Part 1 is a concise history of the development of environmental education from an international perspective. Part 2 is an overview of the global agenda or subject knowledge of environmental education. Part 3 introduces perspectives on theory and research in environmental education. Part 4 moves on to practice and presents an integrated model for planning environmental education programmes. Part 5 brings together invited contributors who talk about environmental education in their own countries from 15 countries including China, South Africa, Sri Lanka and the USA. Part 6 returns to the core questions of how progress can be made and how we can maximise the potential of environmental education for the twenty-first century.

Forgotten Partnership Redux, **Canadian Multiculturalism @50** Augie Fleras, 2021-07-26 Choice Award 2022 Outstanding Academic Title The multiculturalization of Canada has catapulted it into the front ranks of countries in advancing a principled diversity governance. Fifty years after the inception of a multicultural governance model that seemingly works and is relatively popular, Canada remains one of the few countries in the world to believe in multiculturalism. Yet the irony is inescapable. Notwithstanding its lofty status as a Canadian icon and an aspirational ideal, an official multiculturalism remains misunderstood both in Canada and abroad in terms of what it means, how it works and for whom and why it endures. If anything, as the book explains, the idea of multiculturalism remains shrouded in the conceptual fog of a

riddle wrapped in a mystery inside an enigma An interplay of polite fictions that mask inconvenient truths puts the onus on deconstructing Canadian multiculturalism by conceptualizing strengths including a probe into why multiculturalism ostensibly works in Canada but rarely elsewhere analyzing weaknesses critically assessing its worth and envisioning its future in responding to the new realities and demands of a post multicultural world That Canada s multiculturalism remains a work in progress albeit one with innovative possibilities provides a fitting tribute

The Canadian Federal Election of 2019 Jon H. Pammett, Christopher Dornan, 2020-12-17 The Canadian federal election of 2019 is extensively analyzed in this collaborative volume edited by Jon Pammett and Christopher Dornan Bringing together leading political scientists and media scholars the book examines the strategies successes and failures of each of Canada s major political parties with special attention given to the pressing question of climate change In Canadian elections the context of the campaign is vital Here contributors consider in detail the way public opinion polls were reported leading up to the election how traditional media portrayed events why the electorate waited to make up their minds and the means by which social media dealt with fears of a disinformation wave The book uses data to identify the important factors in determining the voting behaviour of Canadians in 2019 and the ways these factors combined to produce a minority Liberal government The Canadian Federal Election of 2019 is the essential resource for every interested political observer wanting to dissect the last election and required reading to prepare for the next one

Positive Security Gunhild Hoogensen Gjørsv, Ali Bilgic, 2022-06-09 This book critically conceptualises positive security and explores multiple areas in global politics where positive security can be studied as an alternative to the existing understandings and practices of security Structured through a framework on the practice and ethics of everyday security the book defines positive security as a focal point of contextual and spatiotemporal moments that emerge through encounters with the other in everyday politics In these moments an actor can show attentiveness and humility towards the other In this book the authors present their own understandings of positive security offering an in depth discussion and analysis of the Global North and South divides delving into many aspects such as human security migration gender Indigenous issues and perceptions of security in the Arctic and challenges and tensions for and within NATO The book concludes by reflecting on the significance of positive security looking at its application for other current issues including how to understand and manage new in security challenges including hybrid threats and warfare This book will be of interest to students and scholars of international relations critical security and peace studies

Asian Regionalism, Canadian and Indian Perspectives Charan D. Wadhwa, Yuen Pau Woo, 2005 Canada and India are in many ways natural partners two middle powers sharing a common political and legal tradition derived from the British Commonwealth as well as a commitment to multiculturalism democracy and international institutions India s founding Prime Minister Jawaharlal Nehru had a personal friendship with Canadian Prime Ministers Trudeau and Pearson Despite this promising start bilateral relations never took flight a function of Cold War politics India s relative isolation through much of the post independence period

the enormous distance between the two countries and deep disagreements over India's testing of nuclear weapons in 1974 and 1998. By the start of the new millennium India and Canada were ready to embark on a new phase in bilateral relations one defined not only by trade and investment interests but also by a contemporary understanding of their standing in the world and the potential contribution that both countries can make to issues of regional and global significance.

The Canadian Space Program Andrew B. Godefroy, 2017-05-03 Canada's space efforts from its origins towards the end of the Second World War through to its participation in the ISS today are revealed in full in this complete and carefully researched history. Employing recently declassified archives and many never previously used sources author Andrew B. Godefroy explains the history of the program through its policy and many fascinating projects. He assesses its effectiveness as a major partner in both US and international space programs, examines its current national priorities and capabilities, and outlines the country's plans for the future. Despite being the third nation to launch a satellite into space after the Soviet Union and the United States, being a major partner in the US space shuttle program with the iconic Canadarm, being an international leader in the development of space robotics and acting as one of the five major partners in the ISS, the Canadian Space Program remains one of the least well known national efforts of the space age. This book attempts to shed a clearer light on the progress made by the CSA thus far with more ambitious goals ahead. Technical information, diagrams, glossaries, a chronology and extensive notes on sources are also included in this volume.

Religion and Canadian Party Politics David Rayside, Jerald Sabin, Paul E.J. Thomas, 2017-06-07 Religion is usually thought of as inconsequential to contemporary Canadian politics. Religion and Canadian Party Politics takes a hard look at just how much influence faith continues to have in federal, provincial and territorial political arenas. Drawing on case studies from across the country, this book explores three important axes of religiously based contention in Canada. Early on there were the denominational distinctions between Catholics and Protestants that shaped party oppositions. Since the 1960s a newly politicized divide opened between religious conservatives and political reformers. Then from the 1990s on, sporadic controversy has centred on the recognition of non-Christian religious minority rights. Although the extent of partisan engagement with each of these sources of conflict has varied across time and region, this book shows that religion still matters in shaping party politics. This detailed look at the play of religiously based conflict and accommodation in Canada fills a large gap and pulls us back from overly simplified comparisons with the United States. More broadly, this book also compares the role of faith in politics in Canada to that of other Western industrialized societies.

Deadly Voyages Veronica Fynn Bruey, Steven W. Bender, 2019-12-16 This interdisciplinary volume explores the burdens and impact of migration perils while considering which laws, policies, practices and venues might establish empathy and protection for migrants. The volume envisions transformative policy with the goal of drastically reducing the peril migrants across the globe face.

Could It Happen Here? Michael Adams, 2017-09-26 From award-winning author Michael Adams, *Could It Happen Here?* draws on groundbreaking new social research to show whether

Canadian society is at risk of the populist forces afflicting the rest of the world. In vote after shocking vote Western publics have pushed their anger to the top of their countries political agendas. The votes have varied in their particulars but their unifying feature has been rejection of moderation incrementalism and the status quo. Britons opted to leave the European Union. Americans elected Donald Trump. Far right populist politicians channeling anger at out of touch elites are gaining ground across Europe. Amid this roiling international scene Canada appears placid at least on its surface. As other societies retrench the international media have taken notice of Canada's welcome of Syrian refugees its half female federal cabinet its acceptance of climate science and mixed efforts to limit its emissions the absence of a prominent hard right ethno nationalist movement. After a year in power the centrist federal government continues to enjoy majority approval suggesting an electorate not as bitterly split as the ones to the south or in Europe. As sceptics point out however Brexit and a Trump presidency were unthinkable until they happened. Could it be that Canada is not immune to the same forces of populism social fracture and backlash that have afflicted other parts. Our largest and most cosmopolitan city elected Rob Ford. Conservative Party leadership hopeful Kellie Leitch proposes a Canadian test for immigrants and has called the Trump victory exciting. Anti tax demonstrators in Alberta chanted lock her up in reference to Premier Rachel Notley an elected leader accused of no wrongdoing only policy positions the protesters disliked. In *Could It Happen Here* pollster and social values researcher Michael Adams takes Canadians into the examining room to see whether we are at risk of coming down with the malaise affecting other Western democracies. Drawing on major social values surveys of Canadians and Americans in 2016 as well as decades of tracking data in both countries Adams examines our economy institutions and demographics to answer the question could it happen here. *International Affairs and Canadian Migration Policy* Yiagadeesen Samy, Howard Duncan, 2020-08-26 This volume examines Canada's migration policy as part of its foreign policy. It is well known that Canada is a nation of immigrants. However immigration policy has largely been regarded as domestic rather than foreign policy with most scholarly and policy work focused on what happens after immigrants have arrived in this country. As a result the effects of immigration to Canada on foreign affairs have been largely neglected despite the international character of immigration. The contributors to this volume underline the extent to which Canada's relationships with individual countries and with the international community is closely affected by its immigration policies and practices and draw attention to some of these areas in the hope that it will encourage more scholarly and policy activity directed to the impact of immigration on foreign affairs. Written by both academics and policy makers the book analyzes some of the latest thinking and initiatives related to linkages between migration and foreign policy. *The Canadian Patent Office Record and Register of Copyrights and Trade Marks*, 1926 **Penal Populism and Public Opinion** Julian V. Roberts, 2003 The five countries examined are the United States the United Kingdom Canada Australia and New Zealand. *Reshaping the Mosaic* Ninette Kelley, Jeffrey G. Reitz, Michael J. Trebilcock, 2025-04-30 Immigration remains a cornerstone of national policy although it has undergone

significant transformations across economic family and refugee admission streams in the past two decades Reshaping the Mosaic offers an insightful exploration of Canada s immigration policy ranging from its historical roots to contemporary developments The book examines the growth in permanent and temporary immigration to Canada It explores changes in selection criteria and evaluates their impact on key policy objectives contributing to Canadian economic prosperity facilitating family reunification providing refuge for those fleeing persecution and enabling the integration of immigrants and their descendants into Canadian society The book sheds light on the legal political economic and social paradoxes inherent in Canadian immigration policy highlighting shifts in exclusion powers deportation practices settlement support and citizenship rules as well as their implications for Canadian ideals of multiculturalism fairness and integration It documents the lack of transparency and informed public engagement in policy formation and the implications this lack may have on maintaining public confidence and ensuring that immigration policies align with the national interests Driven by a conviction that the contemporary changes in immigration policy need to be examined in a comprehensive and inclusive way Reshaping the Mosaic looks at recent shifts and their implications for society and offers invaluable insights for policymakers scholars and stakeholders aiming to assist the development of a new immigration policy framework

Whispering the Techniques of Language: An Mental Journey through **Focus On Canada**

In a digitally-driven earth wherever screens reign great and instant transmission drowns out the subtleties of language, the profound strategies and mental subtleties concealed within words frequently go unheard. Yet, nestled within the pages of **Focus On Canada** a captivating literary prize sporting with organic thoughts, lies a fantastic quest waiting to be undertaken. Penned by a talented wordsmith, that marvelous opus attracts visitors on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within ab muscles fabric of each word. Within the mental depths with this touching evaluation, we shall embark upon a sincere exploration of the book is primary subjects, dissect their charming writing fashion, and fail to the powerful resonance it evokes heavy within the recesses of readers hearts.

Focus On Canada Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Focus On Canada free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Focus On Canada free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to

filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Focus On Canada free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Focus On Canada. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Focus On Canada any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Focus On Canada Books

1. Where can I buy Focus On Canada books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Focus On Canada book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Focus On Canada books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Focus On Canada audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
