Noble, Sarah K. Whittle, Philip S. Johnston, 2017-06-15 Family life has undergone revolutionary changes in Western society in the last sixty years posing both theological and ethical challenges for the contemporary church This book responds with wide ranging essays on sexuality marriage family life singleness same sex relationships violence against women anthropology gender and culture These chapters are essential reading for anyone concerned with Christian teaching on marriage and the family They balance a clear loyalty to the church's historic and biblical teaching with a recognition that all doctrine is contextualized There is a growing gap between the ethics of many Christians and those of wider society So Christians have to be counter cultural But the church also has to be self critical differentiating between biblical revelation and cultural development And it must know how to present unchanging Christian convictions to a constantly changing society The contributors are Andy Angel Daniel Block Rosalind Clarke Barry Danylak Andrew Goddard Stephen Holmes David Instone Brewer A T B McGowan Nicholas Moore Onesimus Ngundu Oliver O Donovan Ian Paul Andrew Sloane Katy Smith Elaine Storkey and Sarah Whittle **Stating the**

Family Julie Novkov, Carol Nackenoff, 2020-05-07 Glance at a political party's platform catch a politician's speech sample the news and you will find the family not as a mere group of people living together in the private sphere but as a contentious entity at the center of political disputes and policy debates over everything from marriage equality and gender identity to immigration and welfare reform The key role of the family in politics and public policy so often relegated to the outer margins of political science and theory comes in for long overdue consideration in this volume Bringing together political scientists and legal scholars of wide ranging interests and perspectives Stating the Family explores the role of the family in American political development as a focus of political struggle a place where policy happens a means of distributing governmental goods and a way of relating individuals to the state and to each other in legal terms While the authors gathered here examine important policy questions that relate to the family including immigration welfare citizenship partisanship and ideology they pay particular attention to changes in family structures and responsibilities in light of the rise of neoliberalism Illustrated with case studies some contemporary some historical their essays provide individual takes on different links between family and politics creating a nuanced conversation on this complex topic The result is a multifaceted view of the family's place in the development of American political institutions and a unique understanding of the work that family does to structure politics and that politics does to structure families

Kingdom Family Trevecca Okholm, 2012-02-09 There is a lot of talk these days about how churches need to become more missional and Kingdom focused but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God Christian families know that God has a better purpose for marriage and family but often don't have the slightest idea how to get there And while many books on Christian marriage and family are inwardly focused on simply getting along better this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and through analysis and practical suggestions recalls marriages and families to the purpose for which God intended them in the first place namely to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity

Female Well-Being Carolyn Fluehr-Lobban, Janet Mancini Billson, 2013-07-04 This global survey starts from the assumption that the significant transformations in women's lives deserve to be fully documented and interpreted Janet Mancini Billson and Carolyn Fluehr Lobban tackle the complexities of social change by using data from countries in every world region to illustrate the most critical challenges that women faced during the last century challenges that are also likely to shape the 21st century Global knowledge and feminism dovetailed in the 20th century fed by international air travel telecommunications the internet and a growing awareness that solving female oppression would improve the lot of all humankind The authors therefore adopt a strong international comparative cross cultural and feminist framework that uncovers the fundamental processes that promote sustain or degrade the female condition At the heart of Female Well Being are case studies written by country teams of scholars educators and policy analysts in Canada The United States Colombia Iceland the United Kingdom Croatia Japan

Bangladesh Thailand South Africa and Sudan Female well being is measured by analysing trends in infant mortality maternal mortality literacy life expectancy education work income family structure and political power These trends are contextualised in the light of the century s major events legislative initiatives social policies and leadership to illustrate the processes that enhance sustain or detract from the female condition This book will be a critical resource for academics development experts and policy analysts
