FOCUS ON SHAKESPEAREAN FILMS

Edited by CHARLES W. ECKERT

Focus On Shakespearean Films

**Luke McKernan, Eve-Marie
Oesterlen, Olwen Terris**

Focus On Shakespearean Films:

Focus on Shakespearean Films Charles W. Eckert, 1972 **Shakespeare Films** Peter E.S. Babiak, 2016-05-23 This study reexamines the recognized canon of films based on Shakespeare's plays and argues that it should be broadened by breaking with two unnecessary standards the characterization of the director as auteur of a play's screen adaptation and the convention of excluding films with contemporary language or modern or alternative settings or which use the play as a subtext The emphasis is shifted from the director's contribution to the film's social cultural and historical contexts The work of the auteurs is reevaluated within present day contexts preserving the established canon while proposing new criteria for inclusion **Shakespeare on Film** Maurice Hindle, 2015-09-10 An approachable guide to Shakespeare on film this book establishes the differences between stage and screen It covers the history of Shakespeare on the screen since 1899 and discusses various modes and conventions of adaptations Thoroughly updated to include the most recent films for instance Joss Whedon's 2013 *Much Ado About Nothing* it also explores the latest technology such as DVD and Blu ray as well as live stage to screen productions It also includes an exclusive interview with filmmaker John Wyver discussing his own adaptations for the small screen **Filming Shakespeare's Plays** Anthony Davies, 1990-06-29 Shakespeare's plays provide wonderfully challenging material for the film maker While acknowledging that dramatic experiences for theatre and cinema audiences are significantly different this book reveals some of the special qualities of cinema's dramatic language in the film adaptations of Shakespeare's plays by four directors Laurence Olivier Orson Welles Peter Brook and Akira Kurosawa each of whom has a distinctly different approach to a film representation Davies begins his study with a comparison of theatrical and cinematic space showing that the dramatic resources of cinema are essentially spatial The central chapters focus on Laurence Olivier's *Henry V* *Hamlet* and *Richard III* Orson Welles' *Macbeth* *Othello* and *Chimes at Midnight* Peter Brook's *King Lear* and Akira Kurosawa's *Throne of Blood* Davies discusses the dramatic problems posed by the source plays for these films for the film maker and he examines how these films influenced later theatrical stagings He concludes with an examination of the demands that distinguish the work of the Shakespearean stage actor from that of his counterpart in film **Shakespeare and the Moving Image** Anthony Davies, Stanley Wells, 1994 Towards the end of the 1980s it looked as if television had displaced cinema as the photographic medium for bringing Shakespeare to the modern audience In recent years there has been a renaissance of Shakespearian cinema including Kenneth Branagh's *Henry V* and *Much Ado About Nothing* Franco Zeffirelli's *Hamlet* Peter Greenaway's *Prospero's Books* and Christine Edzard's *As You Like It* In this volume a range of writers study the best known and most entertaining film television and video versions of Shakespeare's plays Particular attention is given to the work of Olivier Zeffirelli and Kurosawa and to the BBC Television series In addition the volume includes a survey of previous scholarship and an invaluable filmography **Shakespeare Survey** Stanley Wells, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback

Shakespearean Drama, Disability, and the Filmic Stare Grace McCarthy, 2021-07-27 Shakespearean Drama Disability and the Filmic Stare synthesizes Laura Mulvey's male gaze and Rosemarie Garland Thomson's stare into a new critical lens the filmic stare in order to understand and analyze the visual construction of disability in adaptations of Shakespearean drama The book explores the intersections of adaptation studies film studies Shakespeare studies and disability studies to analyze twentieth and twenty first century representations of both physical disability and madness in global cinematic film television film and digital broadcast cinema in Shakespeare's works Shakespearean Drama Disability and the Filmic Stare argues that the filmic stare does not differentiate between male and female characters with disabilities or between powerful and powerless figures in disability representation This multi disciplinary volume is ideal for disability studies scholars Shakespeare scholars and those interested in adaptations of Shakespeare's famous works **Interpreting Shakespeare on Screen** Hester Bradley, 2000-12-02 This book explores Shakespeare films as interpretations of Shakespeare's plays as well as interpreting the place of Shakespeare on screen within the classroom and within the English curriculum Shakespeare on screen is evaluated both in relation to the play texts and in relation to the realms of popular film culture The book focuses on how Shakespeare is manipulated in film and television through the representation of violence gender sexuality race and nationalism Cartmell discusses a wide range of films including Orson Welles Othello 1952 Kenneth Branagh's Much Ado About Nothing 1993 Peter Greenaway's Prospero's Books 1991 Baz Luhrmann's William Shakespeare's Romeo and Juliet 1996 and John Madden's Shakespeare in Love 1998 **Shakespeare, The Movie** Lynda E. Boose, Richard Burt, 2005-06-28 Shakespeare The Movie brings together an impressive line up of contributors to consider how Shakespeare has been adapted on film TV and video and explores the impact of this popularization on the canonical status of Shakespeare Taking a fresh look at the Bard and his place in the movies Shakespeare The Movie includes a selection of what is presently available in filmic format to the Shakespeare student or scholar ranging across BBC television productions filmed theatre productions and full screen adaptations by Kenneth Branagh and Franco Zeffirelli Films discussed include Amy Heckerling's Clueless Gus van Sant's My Own Private Idaho Branagh's Henry V Baz Luhrman's William Shakespeare's Romeo and Juliet John McTiernan's Last Action Hero Peter Greenaway's Prospero's Books Zeffirelli's Hamlet **A History of Shakespeare on Screen** Kenneth S. Rothwell, 2004-10-28 This edition of A History of Shakespeare on Screen updates the chronology to 2003 with a new chapter on recent films **Shakespeare, Cinema, Counter-Culture** Ailsa Grant Ferguson, 2016-06-23 Addressing for the first time Shakespeare's place in counter cultural cinema this book examines and theorizes counter hegemonic postmodern and post punk Shakespeare in late 20th and early 21st century film Drawing on a diverse range of case studies Grant Ferguson presents an interdisciplinary approach that offers new theories on the nature and application of Shakespearean appropriations in the light of postmodern modes of representation The book considers the nature of the Shakespearean inter text in subcultural political contexts concerning the politicized aesthetics of a Shakespearean body in

pieces the carnivalesque and notions of Shakespeare as counter hegemonic weapon or source of empowerment Representative films use Shakespeare and his accompanying cultural capital to challenge notions of capitalist globalization dominant socio cultural ideologies and hegemonic modes of expression In response to a post modern culture saturated with logos and semiotic abbreviations many such films play with the emblematic imagery and references of Shakespeare s texts These curious appropriations have much to reveal about the elusive nature of intertextuality in late postmodern culture and the battle for cultural ownership of Shakespeare As there has yet to be a study that isolates and theorizes modes of Shakespearean production that specifically demonstrate resistance to the social political ideological aesthetic and cinematic norms of the Western world this book expands the dialogue around such texts and interprets their patterns of appropriation adaptation and representation of Shakespeare *Screening Shakespeare from Richard II to Henry V* Ace G. Pilkington,1991 This book applies the videocassette to the study of Shakespeare on television and film The result is that the films become texts and Shakespeare in performance can be examined with the scholarly care that has been reserved for printed books

Teaching Shakespeare Walter E Edens,2015-03-08 Here is a rich variety of approaches to teaching Shakespeare described by authors who are distinguished teachers and scholars In setting forth their classroom techniques they offer critical insights as well as stimulating ideas for use by other teachers Their suggestions range from different pairings of plays provocative questions for discussion and ways of reading aloud to projects for class performances and even possibilities for teaching Shakespeare outside the classroom The contributors share a concern for developing students interests and skills beyond strict formal analysis Contributors Walter F Eggers Jr Robert B Heilman John W Velz D Allen Carroll Norman Rabkin Winfried Schleiner A C Hamilton Albert Wertheim Paul M Cubeta David M Bergeron Ray L Heffner Jr Brian Vickers Jay L Halio G Wilson Knight Bernard Beckerman Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 [Shakespeare on Film, Television and Radio](#) Luke McKernan,Eve-Marie Oesterlen,Olwen Terris,2009 Everything about the how as well as the why of studying audiovisual Shakespeare is provided here from silent cinema to the multiplex and from cat s whiskers to Youtube *Cinematic Shakespeare* Michael A. Anderegg,2004 Michael Anderegg investigates how Shakespeare films constitute an exciting ever changing film genre He looks closely at films by Olivier Welles Branagh as well as postmodern Shakespeares multiple adaptations over the years of Romeo and Juliet **Race in American Film** Daniel Bernardi,Michael Green,2017-07-07 This expansive three volume set investigates racial representation in film providing an authoritative cross section of the most racially significant films actors directors and movements in American cinematic history Hollywood has

always reflected current American cultural norms and ideas As such film provides a window into attitudes about race and ethnicity over the last century This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject examining aspects of race and ethnicity in American film through the historical context themes and people involved This three volume set highlights the most important films and artists of the era identifying films actors or characterizations that were considered racist were tremendously popular or hugely influential attempted to be progressive or some combination thereof Readers will not only learn basic information about each subject but also be able to contextualize it culturally historically and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity and grasp how the subject is perceived now through the lens of history

The Arden Research Handbook of Shakespeare and Contemporary Performance Peter Kirwan, Kathryn Prince, 2021-03-25 The Arden Research Handbook of Shakespeare and Contemporary Performance is a wide ranging authoritative guide to research on Shakespeare and performance studies by an international team of leading scholars It contains chapters on the key methods and questions surrounding the performance event the audience and the archive the primary sources on which performance studies draws It identifies the recurring trends and fruitful lines of inquiry that are generating the most urgent work in the field but also contextualises these within the histories and methods on which researchers build A central section of research focused essays offers case studies of present areas of enquiry from new approaches to space bodies and language to work on the technologies of remediation and original practices from consideration of fandoms and the cultural capital invested in Shakespeare and his contemporaries to political and ethical interventions in performance practice A distinctive feature of the volume is a curated section focusing on practitioners in which leading directors writers actors producers and other theatre professionals comment on Shakespeare in performance and what they see as the key areas challenges and provocations for researchers to explore In addition the Handbook contains various sections that provide non specialists with practical help an A Z of key terms and concepts a guide to research methods and problems a chronology of major publications and events an introduction to resources for study of the field and a substantial annotated bibliography The Arden Research Handbook of Shakespeare and Contemporary Performance is a reference work aimed at advanced undergraduate and graduate students as well as scholars and libraries a guide to beginning or developing research in the field and an essential companion for all those interested in Shakespeare and performance *The Humanities Film Forum* KCET (Television station : Los Angeles, Calif.), 1973 The Oxford Handbook of Shakespeare and Music Christopher R. Wilson, Mervyn Cooke, 2022 Engages with musical practice in a wide range of countries Offers a cutting edge resource for Shakespeare scholars and musicians alike Sheds light on a crucial and fascinating aspect of Shakespeare studies Book jacket **Shakespeare, Film, Fin de Siecle** Mark Thornton Burnett, Ramona Wray, 2016-01-22 The essays in this volume read the Shakespeare films of the 1990s as key instruments with which western culture confronts the anxieties attendant upon the

transition from one century to another Such films as *Hamlet* *Love's Labour's Lost* *Othello* *Shakespeare in Love* and William Shakespeare's *Romeo and Juliet* the contributors maintain engage with some of the most pressing concerns of the present apocalyptic condition familial crisis social estrangement urban blight cultural hybridity literary authority the impact of technology and the end of history The volume includes an exclusive interview with Kenneth Branagh
