Focusing Black Malefemale Relationships:

Focusing Delores P. Aldridge,1991 A masterful examination of the myths and socio political causes of discord between Black men and women The author suggests that male female relationships among Black Americans which fails to place the interpersonal within the broad institutional context falls short of providing a broad or macroanalytical modelany attempt to study

The Hip-Hop Generation Bakari Kitwana,2008-08-05 The Hip Hop Generation is an eloquent testament for black youth culture at the turn of the century The only in depth study of the first generation to grow up in post segregation America it combines culture and politics into a pivotal work in American studies Bakari Kitwana one of black America s sharpest young critics offers a sobering look at this generation s disproportionate social and political troubles and celebrates the activism and politics that may herald the beginning of a new phase of African American empowerment

The National Alliance of Black Feminists Ileana Nachescu,2025-06-24 Founded in 1975 the non partisan National Alliance of Black Feminists NABF played a critical role in the Black women s liberation movement and the fight for the Equal Rights Amendment The Chicago based organization s Black humanist feminism powered a singular dedication to building coalitions while influencing its historic set of comprehensive political economic and cultural demands Ileana Nachescu places the NABF s history as the bridge between Black women s social activism in the 1970s and the intellectual activism of the 1980s Her account details the NABF s work and how it reflected the group s strong humanist belief in the transformation of all human beings Nachescu also shows that the NABF s post Eighties erasure from movement histories is consistent with how many white feminists marginalized women of color and rejected their leadership From there Nachescu examines Black lesbians vibrant support of the NABF and shows how respectability politics pressured the group to support its lesbian membership in private but maintain a public silence on the issue A rare in depth look at an overlooked organization The National Alliance of Black Feminists tells an untold story of Black women s liberation in the Midwest

Black Masculinity and Sexual Politics Anthony J. Lemelle, Jr.,2010-04-26 This book is about how African American males experience masculinity politics and how U S sexism and racial ranking influences relationships between black and white males Lemelle argues that the only way to accommodate African American males is to eliminate sexism particularly as it appears in the organization of families

Handbook of Black Studies Molefi Kete Asante,Maulana Karenga,2006 Publisher Description

The African-American Male Jacob U. Gordon,1999-07-30 The plight of the Black male in American society has been well documented by scholars and practitioners Although Black males represent only 6 percent of the American population they represent about 40 percent of the prison population the number of Black males in prison and jail exceeds the number of Black males in higher education The homicide rates for Black males were 72.5 percent per 100 000 nearly eight times higher than for White males This bibliographic volume explores the extent to which American academia has addressed these problems It will be an invaluable resource for researchers as well as practitioners in social service programs In addition to more than 400 annotated

publications the book includes a selected list of works on the African American male and a compilation of doctoral dissertations This publication will serve as a reference in public as well as academic libraries human service agencies government policymaking agencies and in academic courses in gender and ethnic studies criminal justice and social psychology

Counseling African American Marriages and Families Edward P. Wimberly, 1997-01-01 Important questions face any pastoral counselor when working with African American couples and families Edward Wimberly focuses on the religious worldview that African Americans bring to their understanding of marriage and family so that the counselor can learn the assumptions behind the presenting problems Wimberly's treatment examines the social context of African American families the separate issues for men and women intergenerational factors the impact of the life cycle sexuality affairs and abuse This wide ranging book is exceptionally practical for all pastoral caregivers The purpose of the Counseling and Pastoral Theology series is to address clinical issues that arise among particular populations currently neglected in the literature on pastoral care and counseling This series is committed to enhancing both the theoretical base and the clinical expertise of pastoral caregivers by providing a pastoral theological paradigm that will inform both assessment and intervention with persons in these specific populations

Black Families Harold E. Cheatham, James B. Stewart, 2017-10-19 The condition and characteristics of the black family have been subjects of intense debate since at least the 1960s when the Moynihan Report and the culture of poverty theses held sway Since then a consistent theme has been that black families are pathological Despite the fact that research has been inconclusive and contradictory political debate and policy have been strongly influenced by the pathology theme This volume presents alternative approaches toward understanding the special characteristics of black families Extending a special issue of The Review of Black Political Economy the book focuses on the economic circumstances and decision making of these families employing Interdisciplinary and cross cultural perspectives It examines the general responses of black families to various external factors such as economic systems and to Internal factors such as interpersonal relationships This compendium of current thinking and research will be of interest to professionals in a number of fields Including family studies counseling social work psychology and sociology It will be of practical use in training programs for service delivery systems Interested In Incorporating multicultural perspectives as well as those specifically interested in black families today

Introduction to African American Studies Talmadge Anderson, James Benjamin Stewart, 2007 There is an ongoing debate as to whether African American Studies is a discipline or multidisciplinary or interdisciplinary field Some scholars assert that African American Studies use a well defined common approach in examining history politics and the family in the same way as scholars in the disciplines of economics sociology and political science Other scholars consider African American Studies multidisciplinary a field somewhat comparable to the field of education in which scholars employ a variety of disciplinary lenses be they anthropological psychological historical etc to study the African world experience In this model the boundaries between traditional disciplines are accepted and researches in African American Studies simply conduct discipline based an

analysis of particular topics Finally another group of scholars insists that African American Studies is interdisciplinary an enterprise that generates distinctive analyses by combining perspectives from d *Africana Studies* Molefi Kete Asante, Joseph A.
