FOCUSING: Selected Essays

1974 – 1999

Focusing Selected Essays 1974 1999

Emmy van Deurzen, Sarah Young

Focusing Selected Essays 1974 1999:

Focusing Neil Friedman, 2000-04 Since 1974 Neil Friedman has written thirty eight pieces about focusing Twenty six are collected in this book They are Neil Friedman s best writings about focusing thus far Focusing is a psychological process discovered and developed by Dr Eugene Gendlin It is a way to know your felt experience moment to moment In crisp clear down to earth English Neil Friedman presents his essays on focusing in five sections 1 In The Beginning meeting Gene Gendlin review of FOCUSING earliest writings 2 Focusing essays that will teach you how to focus 3 Focusing and Psychotherapy ten essays that introduce and describe focusing oriented experiential psychotherapy a new approach to healing and growth 4 Focusing and Meditation interconnections between focusing and meditation more recent developments in the author s approach to meditation 5 Focusing and Miracles experiences that elude comprehension via our dominant paradigm of explanation the unexplainable There are new introductions to each section and to the book as a whole Earlier writings have been revised Club sandwich sized sentences stand out against the background of a slimmed down basic writing style The book is readable and instructive It is at once well researched and detailed and a love poem to focusing

Caring and Well-being Kathleen Galvin, Les Todres, 2013-05-02 Something is missing in contemporary health and social care Health and illness is often measured in policy documents in economic terms and clinical outcomes are enmeshed in statistical data with the patient s experience left to one side This stimulating book is concerned with how to humanise health and social care and keep the person at the centre of practice Caring and Well Being opens by articulating Galvin and Todres innovative framework for humanising health care and closes with a synthesis of their argument and a discussion of how this can be applied in healthcare policy and practice It presents an innovative lifeworld led approach to the humanisation of care explores the concept of well being and its relationship to suffering and outlines the rationale for a focus on them within this approach discusses how the framework can be applied and how health and social practitioners can draw on aesthetic and empathic avenues to help develop their capacity for care provides direction for policy practice and education Investigating what it means to be human in a health and social care context and what the things that make us feel more human are this book presents new perspectives about how professionals can enhance their capacity for humanly sensitive care It is a valuable work for all those interested in ideas about care and caring in a health and social context including psychologists doctors and nurses

Existential Perspectives on Supervision Emmy van Deurzen, Sarah Young, 2009-07-31 Supervision is an essential part of counselling and psychotherapy practice It is increasingly recognised as a tool for ensuring high professional standards In an era of regulation and tightening control there is a growing professional need to take stock and reflect on what it means to work with human problems It is vital that therapists address the moral and philosophical dimensions of their profession and ask themselves what it is to be human This rich and far reaching book explores supervision from this timely philosophical perspective Designed both for trainees and more seasoned professionals whatever

their theoretical orientation it makes a clear case for seeing existential perspectives on supervision as complementary to rather than as a substitute for other forms of supervision *The Radical Acceptance of Everything* Ann Weiser Cornell, 2005 How can we bring peace to the inner wars that are in the way of having the life we want For more than 30 years now Ann Weiser Cornell has been exploring teaching and writing about the mysteries of emotional process including the paradox of how we become more whole by acknowledging our parts how the most despised places in us contain our greatest treasure and how the body's felt sense held in a compassionate state of Presence is the key to change Now her key writings have been brought together in one place freshly edited for this volume with four new articles offering Ann's leading edge work All are accessible both to the seeker of personal change and to the professional who wants to be more effective working with others

Integración de la terapia experiencial y la terapia breve Bala Jaison, 2014-05-21 Este profundo e innovador libro presenta dos tipos de terapia inicialmente diferentes si no opuestas entre sí como son la Terapia Breve y dentro de esta la terapia de Resolución de Problemas y las terapias Existenciales y dentro de estas el Focusing La una es breve la otra se toma su tiempo la una busca la rápida resolución del conflicto la otra lo saca y lo contempla y sin embargo Bala Jaison logra aunar ambas sin perder por ello flexibilidad ni libertad para hacer lo que mejor le salga de dentro a cada terapeuta Pero el libro no se lo trata de eso En su proceso por plasmar similitudes y aprendizajes mutuos de ambas terapias la autora describe con gran maestría temas básicos para trabajar con Focusing como son las interacciones las Partes y el Crítico Interno Muy iluminadoras son sus descripciones de casos en las que salen principalmente estos tres temas En resumen un libro altamente recomendable para terapeutas y terapeutas en formación en el que lo que destaca es la parte práctica planteada con sencillez y respeto *John Bogle on Investing* John C. Bogle, 2015-04-02 Get fifty years of industry defining expertise in a single volume John Bogle on Investing is a compilation of the best speeches ever delivered by one of the 20th century's towering financial giants Individually each of these speeches delivers a powerful lesson in investing taken together Bogle's lifelong themes ring loud and clear His investing philosophy has remained more or less constant throughout his illustrious career and this book lays it out so you can learn from the very best You'll learn what makes a successful investment strategy consider the productive economics of long term investing and how emotional investment in financial markets is often counterproductive enough to forfeit success Bogle discusses the fiscal drag of investing and shows you how to cut down on sales charges management fees turnover costs and opportunity costs as he unravels a lifetime's worth of expertise to give you deep insight into the mind of a master at work John C Bogle founded Vanguard in 1974 then in the space of a few years introduced the index mutual fund pioneered the no load mutual fund and redefined bond fund management This book wraps up the essence of his half century of knowledge to deepen your understanding and enhance your investment success Learn why simple strategies are best Discover how emotions can ruin the best investment plan Examine the universality of indexing in the financial markets Minimize the costs financial and otherwise associated with investing John Bogle is still in there

fighting still pushing the industry onward and upward Take this rare opportunity to have industry shaping expertise at your fingertips with John Bogle on Investing **The Oxford Handbook of Early Christian Studies** Susan Ashbrook

Harvey, David G. Hunter, 2008-09-05 The Oxford Handbook of Early Christian Studies responds to and celebrates the explosion of research in this inter disciplinary field over recent decades As a one volume reference work it provides an introduction to the academic study of early Christianity c 100 600 AD and examines the vast geographical area impacted by the early church in western and eastern late antiquity It is thematically arranged to encompass history literature thought practices and material culture It contains authoritative and up to date surveys of current thinking and research in the various sub specialties of early Christian studies written by leading figures in the discipline The essays orientate readers to a given topic as well as to the trajectory of research developments over the past 30 50 years within the scholarship itself Guidance for future research is also given Each essay points the reader towards relevant forms of extant evidence texts documents or examples of material culture as well as to the appropriate research tools available for the area This volume will be useful to advanced undergraduate and post graduate students as well as to specialists in any area who wish to consult a brief review of the state of the question in a particular area or sub specialty of early Christian studies especially one different from their own **Poetry: The Basics** Jeffrey Wainwright, 2013-03-01 Now in its second edition Poetry The Basics demystifies the

traditions and forms of the world of poetry for all those who find it daunting or bewildering Covering a wide range of poetic voices from Chaucer to children s rhymes song lyrics and the words of contemporary poets this book will help readers to appreciate poetry by examining technical aspects such as rhythm and measures different tones of voice in poetry the relationship between everyday and poetic language how different types of poetry are structured how the form and space of a poem contribute to its meaning some of the ways contemporary poets set to work A must read for all those wishing to get to grips with reading and writing poetry this book is a lively and inspiring introduction to its many styles and purposes right up to the present day *The Oxford Handbook of the Archaeology of Ritual and Religion* Timothy Insoll, 2011-10-28 The Oxford Handbook of the Archaeology of Ritual and Religion provides a comprehensive overview by period and region of the relevant archaeological material in relation to theory methodology definition and practice Although as the title indicates the focus is upon archaeological investigations of ritual and religion by necessity ideas and evidence from other disciplines are also included among them anthropology ethnography religious studies and history The Handbook covers a global span Africa Asia Australasia Europe and the Americas and reaches from the earliest prehistory the Lower and Middle Palaeolithic to modern times In addition chapters focus upon relevant themes ranging from landscape to death from taboo to water from gender to rites of passage from ritual to fasting and feasting Written by over sixty specialists renowned in their respective fields the Handbook presents the very best in current scholarship and will serve both as a comprehensive introduction to its subject and as a stimulus to further research *Early Judaism* John J. Collins, Daniel C. Harlow, 2012-11-29 Culled from The

Eerdmans Dictionary of Early Judaism a monumental groundbreaking reference work published in late 2010 Early Judaism A Comprehensive Overview contains fifteen first rate essays from a diverse group of internationally renowned scholars This volume provides the most comprehensive and authoritative overview available of Judaism in the Hellenistic and early Roman periods Contributors John M G Barclay Miriam Pucci Ben Zeev Katell Berthelot John J Collins Erich S Gruen Daniel C Harlow James L Kugel Adam Kolman Marshak Steve Mason James S McLaren Maren R Niehoff David T Runia Lawrence H Schiffman Chris Seeman Gregory E Sterling Loren T Stuckenbruck Eibert Tigchelaar Eugene Ulrich Annewies van den Hoek James C VanderKam J rgen K Zangenberg

Who's Who of Twentieth Century Novelists Tim Woods,2008-02-21 Taking in novelists from all over the globe from the beginning of the century to the present day this is the most comprehensive survey of the leading lights of twentieth century fiction Superb breadth of coverage and over 800 entries by an international team of contributors ensures that this fascinating and wide ranging work of reference will be invaluable to anyone with an interest in modern fiction Authors included range from Joseph Conrad to Albert Camus and Franz Kafka to Chinua Achebe Who s Who of Twentieth Century Novelists gives a superb insight into the richness and diversity of the twentieth century novel A *Companion to Japanese History* William M. Tsutsui,2009-07-20 A Companion to Japanese History provides an authoritative overview of current debates and approaches within the study of Japan s history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies

Unnatural Rebellion Ruma Chopra,2011-05-29 Thousands of British American mainland colonists rejected the War for American Independence Shunning rebel violence as unnecessary unlawful and unnatural they emphasized the natural ties of blood kinship language and religion that united the colonies to Britain They hoped that British military strength would crush the minority rebellion and free the colonies to renegotiate their return to the empire Of course the loyalists were too American to be of one mind This is a story of how a cross section of colonists flocked to the British headquarters of New York City to support their ideal of reunion Despised by the rebels as enemies or as British appendages New York s refugees hoped to partner with the British to restore peaceful government in the colonies The British confounded their expectations by instituting martial law in the city and marginalizing loyalist leaders Still the loyal Americans did not surrender their vision but creatively adapted their rhetoric and accommodated military governance to protect their long standing bond with the mother country They never imagined that allegiance to Britain would mean a permanent exile from their homes

The Poetry and Poetics of Michael Heller Jon Curley,Burt Kimmelman,2015-07-01 The Poetry and Poetics of Michael Heller A Nomad Memory is the first comprehensive treatment of a singularly important American poet of the twentieth and twenty first centuries Michael Heller b 1937 has amassed a body of poetry and criticism that places him in the vanguard of modern literature and this essay collection provides the first extensive critical treatment of his varied career This book s multifaceted

appraisal of his engagement with poetry as well as crucial ideas across various traditions establishes him as a preeminent writer among his contemporaries and younger generations and as a major poet in any era *The Eerdmans Dictionary of Early Judaism* John J. Collins, Daniel C. Harlow, 2010-11-11 The Dictionary of Early Judaism is the first reference work devoted exclusively to Second Temple Judaism fourth century b c e through second century c e The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian The second and significantly longer section offers 520 entries arranged alphabetically Many of these entries have cross references and all have select bibliographies Equal attention is given to literary and nonliterary i e archaeological and epigraphic evidence and New Testament writings are included as evidence for Judaism in the first century c e Several entries also give pertinent information on the Hebrew Bible The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader It is ecumenical and international in character bringing together nearly 270 authors from as many as twenty countries and including Jews Christians and scholars of no religious affiliation *Focus on Robert Graves and His Contemporaries* ,1993 □□□□□□ ,2001 *Ideological Battlegrounds - Constructions of Us and Them Before and After 9/11 Volume 1* Joanna Witkowska, Uwe Zagratzki, 2014-10-16 The effects of 9 11 ramify through a network of conduits and pathways including the examples of expressive culture this volume explores and the registration of those effects will likewise be felt in an array of documents and texts The cultural literary and mass mediated effects of 9 11 encompass the globe and the chapters in this volume assume a transnational and international range of vantage points The topics examined include the representation of Islam and Moslems in a number of texts and genres the political and psychological dilemmas faced by characters in a number of literary works and the refraction of current psycho cultural political tensions in forms of expressive culture in which the effects of 9 11 are felt in other than explicit ways Was 9 11 a moment that punctuated and disrupted the movement of history or as one of the authors suggests did it act as a catalyst to escalate existing stereotypes The chapters investigate not just different genres and cultural forms but distinct modes of intersection between the political the cultural and the psychological One achievement of this volume is to show how 9 11 s effects at times insinuate themselves in discourse through nuance and subtlety and at other times frontally assault texts and images In the words of one article modern Dutch post 9 11 novels directly participate in current cultural and political discourses By the same token these cultural and political discourses participate in novels films TV shows and the effects of 9 11 proliferate and concentrate in this exchange This volume draws timely attention to the multiple forms of this complex interaction Dr Patrick Hagopian University of Lancaster **The One-State Condition** Ariella Azoulay, Adi Ophir, 2012-11-28 Since the start of the occupation of Palestinian territories in 1967 Israel s domination of the Palestinians has deprived an entire population of any political status or protection But even decades on most people speak of this rule both in everyday political discussion and in

legal and academic debates as temporary as a state of affairs incidental and external to the Israeli regime In The One State Condition Ariella Azoulay and Adi Ophir directly challenge this belief Looking closely at the history and contemporary formation of the ruling apparatus the technologies and operations of the Israeli army the General Security Services and the legal system imposed in the Occupied Territories Azoulay and Ophir outline the one state condition of Israel Palestine the grounding principle of Israeli governance is the perpetuation of differential rule over populations of differing status Israeli citizenship is shaped through the active denial of Palestinian citizenship and civil rights Though many Israelis on both political right and left agree that the occupation constitutes a problem for Israeli democracy few ultimately admit that Israel is no democracy or question the very structure of the Israeli regime itself Too frequently ignored are the lasting effects of the deceptive denial of the events of 1948 and 1967 and the ways in which the resulting occupation has reinforced the sweeping militarization and recent racialization of Israeli society Azoulay and Ophir show that acknowledgment of the one state condition is not only a prerequisite for considering a one or two state solution it is a prerequisite for advancing new ideas to move beyond the trap of this false dilemma

Britain in Revolution Austin Woolrych, 2002-11-14 This is the definitive history of the English Civil War set in its full historical context from the accession of Charles I to the Restoration of Charles II These were the most turbulent years of British history and their reverberations have been felt down the centuries Throughout the middle decades of the seventeenth century England Scotland and Ireland were convulsed by political upheaval and wracked by rebellion and civil war The Stuart monarchy was in abeyance for twenty years in all three kingdoms and Charles I famously met his death on the scaffold Austin Woolrych breathes life back into the story of these years the sweep of his prose buttressed by the authority of a lifetime s scholarship He captures the drama and the passion the momentum of events and the force of contingency He brilliantly interweaves the history of the three kingdoms and their peoples gripping the reader with the fast paced yet always balanced story

Thank you categorically much for downloading **Focusing Selected Essays 1974 1999**. Maybe you have knowledge that, people have look numerous time for their favorite books subsequent to this Focusing Selected Essays 1974 1999, but end occurring in harmful downloads.

Rather than enjoying a fine PDF with a cup of coffee in the afternoon, instead they juggled gone some harmful virus inside their computer. **Focusing Selected Essays 1974 1999** is available in our digital library an online entry to it is set as public in view of that you can download it instantly. Our digital library saves in fused countries, allowing you to get the most less latency era to download any of our books like this one. Merely said, the Focusing Selected Essays 1974 1999 is universally compatible similar to any devices to read.
