*Focusing Our Faith* Terry L. Brensinger, 2000-07 A collection of 10 essays on the central beliefs and values of the Brethren in Christ Each chapter includes discussion questions     *Disarming the Church* Eric A. Seibert, 2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in     Compelling Convictions Terry L. Brensinger, Jennifer Lancaster, Alan Robinson, 2024-06-25 A fresh look at our core values In the twenty years since a group of Brethren in Christ pastors educators administrators and laypeople first met to identify ten core values for the North American church much has changed including the continuing decline of the church in the west dynamic social movements for racial gender and economic justice vast advances in technology and a worldwide pandemic With so much happening on both the national and international stages it seems vital that we as Brethren in Christ prayerfully reflect not only on our core values and their application but on how those values might help our churches engage a dramatically new social context Are these values merely sentimental slogans Or do they constitute compelling convictions genuine guiding lights orienting us and motivating our mission in a rapidly changing world The answer to that all important question depends largely on how we use them In this forward looking book essays from Brethren in Christ pastors and leaders from across the globe call us into the future of the church to unleash our creative energies roll up our sleeves and put these core values to good use     Peace and Persistence Mary Jane Heisey, 2003 This work presents material about the Brethren in Christ a small little known religious group In addition to drawing from official church doctrine statements and records it also features a variety of authors in church related publications records of congregational life and archival sources     Visitor , 2004     **Creating Campus Community** William M. **The Violence of Scripture** Eric A. Seibert, 2012 No one can read far in the Old Testament without encountering numerous acts of violence that are sanctioned in the text and attributed to both God and humans Over the years these texts have been used to justify all sorts of violence from colonizing people and justifying warfare to sanctioning violence against women and children Eric Seibert confronts the problem of virtuous violence and urges people to engage in an ethically responsible reading of these troublesome texts He offers a variety of reading strategies designed to critique textually sanctioned violence while still finding ways to use even the most difficult texts constructively thus providing a desperately

needed approach to the violence of Scripture that can help us live more peaceably in a world plagued by religious violence from publisher description

**On Christ's Mission** Riaan Engelbrecht, 2023-07-25 When Jesus departed to be with His eternal Father He gave the church the ecclesia a clear mission statement in Matthew 28 which speaks of the Great Commission And what is the Great Commission therefore the mission Go and make disciples so that the world may be told of Jesus and therefore be saved Some will say some translations never speak of making disciples but rather to teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost But is the purpose of teaching the nations of Christ not to make disciples If one teaches someone about Jesus you are surely equipping them to be a follower of Jesus And such a follower is a disciple We are called in God's wisdom and by His Spirit to teach all people about Jesus for the purpose of making disciples It doesn't happen automatically It will take a concerted and decisive effort of the Bride of God Time is however slipping away to get our house in order with God and now is the time to do so We are living in the last days and the day of the Lord's coming is at hand Billions of people are still lost in every city town and village across the world There is no more time to be playing church or to be consumed with our agendas We need to come into alignment with God seek Him and be awake from our slumber The church has been slumbering for a long time lulled into sleep by a false sense of security peace and a sense of accomplishment Yet there is a mission to complete which is the Great Commission It is God's mission of bringing in the harvest of the lost and broken Now is the time to get busy with God's business and His business is about salvation redemption and restoration The call to the church to actively engage in this mission therefore to make the main thing the main thing is covered in volumes one and two
