The Expositor's Greek Testament Sir William Robertson Nicoll, 1900 **The Expositor's Greek Testament:**
Knowling, R. J. The Acts of the Apostles. Denney, J. St. Paul's Epistle to the Romans. Findlay, G. G. St. Paul's First
epistle to the Corinthians Sir William Robertson Nicoll, 1912 Recovering Historical Christology for Today's Church
Marvin Jones, 2019-02-20 This book explains the basic tenets of Christology that a college student would encounter in a basic
Christology class The book is written in three different sections The first section focuses upon primary Christological
passages which include a limited survey of Christology in the New Testament The second section reviews the Christological
Councils limited to the first four ecumenical councils i e Nicea Constantinople Ephesus and Chalcedon The third section deals
with the application of Christology correlating the biblical witness with the councils preaching Christology to a contemporary
church and summarizing the Christological content for the contemporary church The book is a textbook for an introductory
Christology class As such it will meet the needs of professors who are trying to find an introductory work that surveys the
many aspects of teaching Christology It will also be a valuable tool for pastors as an easy to read reference for sermon
building and Sunday school lessons and youth directors as an accessible tool to teach basic foundational Christological truths
to their youth group **The EXPOSITOR'S GREEK TESTAMENT (Volume V - Peter - Revelation).** William Robertson

the Traditional Dissolution Divorce the Betrothal and the Consanguinity views Studying all the pertinent passages the author
adopted what he calls the More Liberal Dissolution Divorce View The two testaments teach the same view on divorce and
remarriage with one exception The New Testament passages of Jesus and the Apostle Paul are interpreted in harmony with
Greek grammar and the meaning of words The author concluded that the divorce teaching of Scripture is addressed only to
believers and that it is time to stop the hypocrisy fostered by the other views of professing a certain belief but not daring to
implement that belief in practice The author knows of no study in print that reaches these important conclusions **The**
