Eyewitness Goya Eyewitness:

Eyewitness Art Patricia Wright, Francisco Goya, 1993 Illustrated guide to the life and art of Goya Explains the influences that inspired the artist to overcome his illnesses to produce 500 oil paintings and 300 etchings Details of the techniques and materials used by Goya to create his masterpieces are given Created in the UK by Dorling Kindersley and written in

association with the National Gallery London **Eyewitness Art** Ramboro Books, 1998-12 **Goya** Patricia

Wright, 2000-06-21 A study of the art and life of the Spanish artist and the influences that shaped his work **Peninsular**

Eyewitnesses Charles Esdaile, 2008-09-30 Many books have been written about the British struggle against Napoleon in the Peninsula A few recent studies have given a broader view of the ebb and flow of a long war that had a shattering impact on Spain and Portugal and marked the history of all the nations involved But none of these books has concentrated on how these momentous events were perceived and understood by the people who experienced them Charles Esdaile has brought together a vivid selection of contemporary accounts of every aspect of the war to create a panoramic yet minutely detailed picture of those years of turmoil The story is told through memoirs letters and eyewitness testimony from all sides Instead of generals and statesmen we mostly hear from less well known figures junior officers and ordinary soldiers and civilians who recorded their immediate experience of the conflict **Eyewitness NASCAR** James Buckley (Jr.), 2005 Examines stock car racing applied to NASCAR regulations

The Visual Culture of Violence After the French Revolution Lela Graybill, 2017-07-05 The Visual Culture of Violence after the French Revolution traces four sites of spectatorship that exemplified the visual culture of violence in the late eighteenth and early nineteenth centuries offering a new account of the significance of violent spectacle to the birth of modernity Considerations of the execution scaffold salon painting print culture and the fait divers and waxworks displays establish the centrality of spectatorial violence to experiences of selfhood in the wake of the French Revolution Shedding critical light on previously neglected aspects of art and visual culture of the post Revolutionary period The Visual Culture of Violence after the French Revolution demonstrates how violent spectacle at this moment was profoundly shaped by shifting social attitudes contemporary political practices and rapidly accelerated technological developments By attending to the formal and historical specificity of violent spectacle after the Revolution Graybill affirms the historical contingency through which the visual culture of violence in the modern era has emerged The Visual Culture of Violence after the French Revolution will be broadly relevant to scholars of art media and visual studies and particularly to historians of the French Revolution and eighteenth and early nineteenth century Europe The book's concern with the representation of violence makes it of interest to scholars working in a variety of fields beyond its historical period especially in art literature history media and culture studies **Legacies of Violence in Contemporary Spain** Ofelia

Ferrán, Lisa Hilbink, 2016-07-15 This book provides a comprehensive interdisciplinary study of the multiple legacies of Francoist violence in contemporary Spain with a special focus on the exhumations of mass graves from the Civil War and post

war era The various contributions frame their study within a broader reflection on the nature function and legacies of state sanctioned violence in its many forms Offering perspectives from fields as varied as history political science literary and cultural studies forensic and cultural anthropology international human rights law sociology and art this volume explores the multifaceted nature of a society's reckoning with past violence It speaks not only to those interested in contemporary Spain and Western Europe but also to those studying issues of transitional and post transitional justice in other national and regional contexts
