engrossing biography affectionate yet critical journalist and historian James Tobin does an Ernie Pyle job on Ernie Pyle evoking perfectly the life and labors of this strange frail bald little man whose love hate relationship to war mirrors our own Based on dozens of interviews and copious research in little known archives Ernie Pyle's War is a self effacing tour de force To read it is to know Ernie Pyle and most of all to know his war [Eyewitness to the Civil War](#) Stephen Garrison Hyslop, 2006 Records the military political social and cultural history of the Civil War through photographs artifacts period illustrations maps essays by historians and firsthand accounts *Reconstructing the Afghan National Defense and Security Forces* United States.
