Baker,2015-05-19 This research aims to investigate the role or roles of the physical Jerusalem temple within the second temple Jewish writings in terms of whether the physical temple has any role to play in relation to the pivot point in eschatology The pivot point or fulcrum in time refers to the end of the exile and perhaps the beginning of the eschaton The exile may be theological but many second temple Jewish texts address the physical gathering of the children of Israel to the land of Israel i e from physical exile even if the text also addresses a theological exile thus making the return a complete ingathering of the children of Israel The passages of these ancient texts have been analysed before but never with this lens Looking to see if there is any role the Jerusalem Temple performs in expected eschatological events will at least allow an answer to be given which is better than never asking the question in the first place which has been the case until now This study produces results as the Jerusalem Temple has always been a place of great expectations Social Justice in the Ancient World K D Irani,Morris Silver,1995-10-18 This edited collection focuses on the problem of social justice or more particularly how the demand for social justice was articulated and implemented in ancient civilizations including from east to west the Chinese Indian Iranian Babylonian Assyrian Israelite Egyptian Greek and Roman These essays are supplemented by discussions of the functioning of social justice in early and medieval Islam and in the postmedieval Anglo Saxon world The volume contains extended discussions of specific legal regulations royal edicts and socioeconomic practices in the various civilizations and examinations of their social political and economic consequences Written by leading scholars in their respective fields this volume will be of great interest to researchers dealing with the ancient world and the evolution of political philosophy and legal and economic rights *Ezekiel's Visionary Temple in Babylonian Context* Tova Ganzel,2021-09-07 In der Reihe Beihefte zur Zeitschrift f r die alttestamentliche Wissenschaft BZAW erscheinen Arbeiten zu s mtlichen Gebieten der alttestamentlichen Wissenschaft Im Zentrum steht die Hebr ische Bibel ihr Vor und Nachleben im antiken Judentum sowie ihre vielfache Verzweigung in die benachbarten Kulturen der altorientalischen und hellenistisch r mischen Welt Die BZAW akzeptiert Manuskriptvorsch l ge die einen innovativen und signifikanten Beitrag zu Erforschung des Alten Testaments und seiner Umwelt leisten sich intensiv mit der bestehenden Forschungsliteratur auseinandersetzen stringent aufgebaut und fl ssig geschrieben sind Ezekiel: Hebrew text and English translationwith and introduction and commentary Bible. O.T. Ezekiel. Hebrew,1968 Saving God's Reputation Sigve K Tonstad,2006-11-20 This book pursues the conviction that the cosmic conflict imagery in Revelation is the primary

and controlling element in the account of the aspiration of the Roman Empire and the imperial cult in Asia Minor *God of Sense and Traditions of Non-Sense* Sigve K. Tonstad, 2016-01-19 One hundred taxis lined up on Church Street in Oslo on November 26 1942 deployed in order to round up the city's Jews and send them to Auschwitz This reality anchors God of Sense and Traditions of Non-Sense it is theology from a Holocaust perspective The brash Elihu excoriating Job for his insistence that he is owed an explanation for the calamities that have befallen him This is the book's opening salvo Job speaking of a God of sense Elihu and Job's three friends inaugurating a tradition of non-sense this is the existential and theological predicament The problem of finite suffering in this life addressed in the theological tradition with the prospect of infinite endless suffering in this book described as a key element in Traditions of Non-Sense Back to the millions of Jews among them 188 women and 42 children from Oslo deported gassed and cremated in God of Sense this is not seen as a problem that defeats belief but as the reality that demands a religious and theological account of human existence **The Crucifixion of the Warrior God** Gregory A. Boyd, 2017-04-17 A dramatic tension confronts every Christian believer and interpreter of Scripture on the one hand we encounter images of God commanding and engaging in horrendous violence on the other hand we encounter the non-violent teachings and example of Jesus whose loving self-sacrificial death and resurrection is held up as the supreme revelation of God's character in the New Testament How do we reconcile the tension between these seemingly disparate depictions Are they even capable of reconciliation Throughout Christian history many different answers have been proposed ranging from the long-rejected explanation that these contrasting depictions are of two entirely different gods to recent social and cultural theories of metaphor and narrative representation The Crucifixion of the Warrior God takes up this dramatic tension and the range of proposed answers in an epic constructive investigation Over two volumes renowned theologian and biblical scholar Gregory A. Boyd argues that we must take seriously the full range of Scripture as inspired including its violent depictions of God At the same time we must take just as seriously the absolute centrality of the crucified and risen Christ as the supreme revelation of God Developing a theological interpretation of Scripture that he labels a cruciform hermeneutic Boyd demonstrates how Scripture's violent images of God are completely reframed and their violence subverted when they are interpreted through the lens of the cross and resurrection Indeed when read through this lens Boyd argues that these violent depictions can be shown to bear witness to the same self-sacrificial character of God that was supremely revealed on the cross **Queer Theory and the Prophetic Marriage Metaphor in the Hebrew Bible** Stuart MacWilliam, 2016-04-08 The Hebrew Bible offers a metaphor of marriage that portrays men and women as complementary each with their distinct and natural roles Queer Theory and the Prophetic Marriage Metaphor in the Hebrew Bible draws on contemporary scholarship to critique this hetero-normativity The book examines the methodological issues involved in the application of queer theory to biblical texts and draws on the concept of gender performativity the construction of gender through action and behaviour to argue for the potential of queer theory in political

readings of the Bible The central role of metaphor in reinforcing gender performativity is examined in relation to the books of Jeremiah Hosea and Ezekiel The book offers a radical reassessment of the relationship between biblical language and gender identity *The Prophecy That Is Shaping History* Jon Mark Ruthven, Jon Ruthven, 2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entity even to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 36-44 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it *The Prophecy That Is Shaping History* represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel's prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel's prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness **Union with God in Christ** Matthew Friedman, 2017-10-26 A significant number of Muslim communities throughout the world reflect varying degrees of involvement in Islamic mysticism What bridges are present in this context that will facilitate not only evangelism but also discipleship and community formation Matthew Friedman guides the reader on a journey examining the response of the early Christian community to the challenges of ancient Jewish and Hellenic mysticism focusing on the central idea of union with God in Christ Far from finding this to be a leftover from the early Church he discovers that this theme remained crucial into the Reformation particularly in the writing and work of eighteenth century figures John and Charles Wesley Join Friedman as he explores resources for discipleship and community building that will be relevant to both scholars and practitioners alike and will be effective for witness within modern contexts of Islamic mysticism worldwide **A Study of the "throne of David" Motif in the Hebrew Bible** Oliver Raymond Blosser, 1975 **The Face of Water** Sarah Ruden, 2018-12-04 In this dazzling reconsideration of the language of the Old and New Testaments acclaimed scholar and translator of classical literature Sarah Ruden argues that the Bible's modern translations often lack the clarity and vitality of the originals Singling out the most famous passages such as the Genesis creation story the Ten Commandments the Lord's Prayer and the Beatitudes Ruden reexamines and retranslates from the Hebrew and Greek illuminating what has been misunderstood and obscured in standard English translations By showing how the original texts more clearly reveal our cherished values Ruden gives us an unprecedented understanding of what this extraordinary document was for its earliest readers and what it can still be for us today
