David Moody, 2014-09-25 The long awaited second volume of A. David Moody's critically acclaimed three part biography of Ezra Pound weaves together the illuminating story of his life his achievements as a poet and a composer and his one man crusade for economic justice The years 1921-1939 were the most productive of Pound's career In the 1920s Paris he was among the leading figures of the avant garde and in that ambience he composed an opera made original contributions to the theory of harmony and wrote the first thirty cantos of his great epic Moody explores this creativity in fascinating detail examining the environment that allowed for some of Pound's greatest work This period also brought Pound's politics firmly into view and Moody is able to shed new light on his sympathy for Mussolini's Fascism his invoking Confucian China as a model of responsible government and his abiding commitment to the democratic values of the American Constitution Pound is revealed as a great poet and a flawed idealist caught up in the turmoil of his darkening time and struggling sometimes blindly and in error and self contradiction to be a force for enlightenment *Ezra Pound, Poet* Anthony David Moody, 2007 This third and final volume of A. David Moody's critical life of Ezra Pound presents Pound's personal tragedy in a tragic time In this volume we experience the 1939-1945 World War and Pound's hubristic involvement in Fascist Italy's part in it we encounter the grave moral and intellectual error of Pound holding the Jewish race responsible for the war and his consequent downfall being charged with treason condemned as an anti Semite and shut up for twelve years in an institution for the insane Further we see Pound stripped for life by his own counsel and wife of his civil and human rights Pound endured what was inflicted upon him justly and unjustly without complaint and continued his lifetime's effort to promote in and through his

Cantos and his translations a consciousness of a possible humane and just social order The contradictions run deep and compel as tragedy does a steady and unprejudiced contemplation and an answering depth of comprehension The New Ezra Pound Studies Mark Byron,2020 Essays on recent developments in Pound scholarship and research including newly available primary sources and methodological advances in cognate fields Selected English Writings of Yone Noguchi: Prose Yoné Noguchi,1990 **The Ezra Pound Encyclopedia** Demetres P. modernists such as Yone Noguchi Yeats Pound Camus and Kerouac Finally he argues that African American literature represented by Richard Wright Ralph Ellison Alice Walker Toni Morrison and James Emanuel is postmodern Their works exhibit their concerted efforts to abolish marginality and extend referentiality exemplifying the postmodern East West crossroads of cultures A fuller understanding of their work is gained by situating them within this cultural conversation The writings of Wright for example take on their full significance only when they are read not as part of a national literature but as an index to an evolving literature of cultural exchanges
