*so you think you can spiritual* Debbie Zan, 2025-04-27 Writing *So You Think You Can Spiritual* was a personal healing, surprisingly revealing spiritual journey that I did not see coming. It's essentially some of my life experiences infused with ancient yoga wisdom in a format relevant to contemporary living in the most interesting times of massive changes on our Planet Earth. This is an unusual history book, memoirs of a spiritual seeker, a self-help, quantum leap of faith which incorporates the essence of profound yoga philosophy. Especially in times of disintegrating religions, redundant education, organisations collapsing, governing systems we need to believe in something worthwhile. Her intention is to inspire us to be mindful of our actions, words, feelings, thoughts towards becoming the best version we can be with some ideas of how to get there. Bring your sense of humour.

**You Are Your Own Inspiration** A. F. Chew, 2013-01-29 We all have a purpose in life. It is up to us on how we want to live it. We may even face situations that force us to make life-changing decisions that can shape our own future for the better. But sometimes we may also have to overcome obstacles and hurdles for us to get there. And this is when we come face to face with our own demons such as our fears. This book is about a woman who had lived through anxiety attacks, depression, a marriage that almost broke down, uncertainty in her career and the news about her daughter's diagnosis with autism which at one point happened almost all at the same time. She also had to make a career-changing decision that surprisingly led her to another discovery that could change her life. Find out how she finally found inspiration and how she discovered and understood how life really works and that all the negative barriers in her life turned out to be a blessing in the end. Also included in this book are A. F. Chew's selection of very inspiring thoughts and quotes and positive affirmations, most of which are written by world-renowned authors, philosophers, celebrities and other icons in the world of philosophy.
