Spiritual Encounters Peter J. Adams, 2020-07-27 This book develops a new and innovative way of understanding how language is used when people describe their spiritual and mystical encounters Early chapters provide overviews of the nature of spiritual encounters how commonly they occur and the role of language The book then develops a unique way of understanding the dynamics of talking about spirituality using original research to support this perspective In particular Peter J Adams explores how this characteristically vague way of speaking can be viewed as an intentional and not an incidental aspect of such communications because certain types of vagueness have the capacity to engage the imaginative

participation of receptive listeners This expressive vagueness is achieved by embedding missing bits or gaps in the flow of what is described and these in turn provide sites for listeners to insert their own content Later chapters focus on practical ways people including helping professionals can improve their skills in talking about their spiritual encounters All content is situated in caf conversations between four people each of whom is in their own way concerned with the challenges they face in converting the content of their encounters into words

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
