**The Famous Five. Five Fall Into Adventure** Enid Blyton, 2006 George and Timmy the dog disappeared and somebody has broken into Kirrin Cottage. *Five Fall Into Adventure (Famous Five #9)* Enid Blyton, 2020-05-25 Uncle Quentin and Aunt Fanny are away on holiday and the Five are left with their friendly cook Joan for a peaceful holiday at Kirrin Cottage. What with endless days of bathing and good food ahead, the Five are extremely happy and relaxed, but a robbery which has involved the culprit making off with one of Uncle Quentin's Scientific notebooks cuts short their blissfully inactive days of the Summer holidays. How has the thief entered the house and did the face at the window which Anne earlier sighted have anything to do with the mystery? Suddenly the household finds themselves being closely watched. Brief Summary by Poppy Hutchinson Ragamuffin Jo could have been George's double; it was astonishing how much alike they were. And Jo had a way with dogs too. She was fearless and could climb like a cat, which was lucky when it came to making a quick get away from Red Tower. The Five certainly met adventure when they met Jo on Kirrin beach.

**Reading Enid Blyton** Philip Gillett, 2020-10-19 Enid Blyton has been disparaged by her critics since the 1950s and her stock is still low though this has not deterred readers New editions of her work have been published regularly since her death in 1968 Recently there have also been stage and television adaptations of her Malory Towers books while other authors have continued to write stories based on her characters There are also Famous Five parodies which rely on readers familiarity with the series A continuing affection for her work is apparent though it is not always clear whether this comes from parents or their children Reading Enid Blyton places the author s work in its cultural and historical context The book examines a sample of her vast output looking at five recurring themes a sense of place a sense of period a sense of childhood a sense of class and a sense of fantasy A survey of changing attitudes towards Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared

Goodly is Our Heritage Rashna B. Singh, 2004 Patterns of sublimation begin in childhood So does binary and hierarchical thinking The child must be trained to see in oppositions and on a scale of order So the story of nation and people race and culture begins as the bedtime story The author How else asks Rashna Singh do we explain the uncanny physical resemblance between Osama bin Laden and the evil Jaffar of Disney s motion picture Aladdin Singh provides a most persuasive argument for why these sentiments are both insidious and compelling and how they resonate to this day While she includes such classic examples as The Secret Garden Robinson Crusoe and the Babar series it is her inclusion of genuinely neglected fictions that lends her analyses a special richness In an engaging narrative style Singh demonstrates how constructions of character evolve into cultural imprints which encourage their young readers to choose the goodly side with little thought of badly repercussions
