Five Indiscretions:

Five Indiscretions Alberto Ro's,1985 *Five Indiscretions* Alberto Ríos,1985 **According To Jane** Marilyn Brant,2009-10-01 In Marilyn Brant's smart wildly inventive debut one woman in search of herself receives advice from the ultimate expert in matters of the heart It begins one day in sophomore English class just as Ellie Barnett's teacher is assigning Jane Austen's *Pride and Prejudice* From nowhere comes a quiet tsk of displeasure The target Sam Blaine the cute bad boy who's teasing Ellie mercilessly just as he has since kindergarten Entirely unbidden as Jane might say the author's ghost has taken up residence in Ellie's mind and seems determined to stay there Jane's wise and witty advice guides Ellie through the hell of adolescence and beyond serving as the voice she trusts usually far more than her own Years and boyfriends come and go sometimes a little too quickly sometimes not nearly fast enough But Jane's counsel is constant and on the subject of Sam quite insistent Stay away Jane demands He is your Mr Wickham Still everyone has something to learn about love perhaps even Jane herself And lately the voice in Ellie's head is being drowned out by another urging her to look beyond everything she thought she knew and seek out her very own very unexpected happy ending A warm witty and charmingly original story Susan Wiggs New York Times bestselling author An engaging read for all who have been through the long dark dating wars and still believe there's sunshine and a Mr Darcy at the end of the tunnel Cathy Lamb author of *Henry's Sisters* This is a must read for Austen lovers as well as for all who believe in the possibility of a happily ever after ending Holly Chamberlin author of *One Week In December* *A Good Map of All Things* Alberto Álvaro Ríos,2020-10-27 In Alberto lvaro R os's new picaresque novel momentous adventure and quiet connection brings twenty people to life in a small town in northern Mexico *A Good Map of All Things* is home to characters whose lives are interwoven but whose stories are their own adding warmth and humor to this continually surprising communal narrative The stories take place in the mid twentieth century in the high desert near the border a stretch of land generally referred to as the Pimer a Alta an ancient passage through the desert that connected the territory of Tucson in the north and Guaymas and Hermosillo in the south The United States is off in the distance a little difficult to see and in the middle of the century not the only thing to think about Mexico City is somewhere to the south but nobody can say where and nobody has ever seen it R os has created a whimsical yet familiar town where brightly unique characters love fiercely and nurture those around them The people in *A Good Map of All Things* have secrets and fears successes and happiness winters and summers They are people who do not make the news but who are living their lives for the long haul without lotteries or easy answers or particular luck Theirs is the everyday with its small but meaningful joy Whether your heart belongs to a small town in Mexico or a bustling metropolis Alberto lvaro R os has crafted a book that is overflowing with comfort warmth and the familiar embrace of a tightly woven community

Capirotada Alberto Alvaro Ríos,1999-08-01 Capirotada Mexican bread pudding is a mysterious mixture of prunes peanuts white bread raisins milk quesadilla cheese butter cinnamon and cloves Old World sugar all this writes Alberto Rios

and things people will not tell you Like its Mexican namesake this memoir is a rich melange stirring together Rios's memories of family neighbors friends and secrets from his youth in the two Nogaleses in Arizona and through the open gate into Mexico The vignettes in this memoir are not loud or fast Yet like all of Rios's writing they are singular Here is the story about a rickety magician his chicken and a group of little boys but who plays a trick on whom The story about the flying dancers and mortality About going to the dentist in Mexico because it is cheaper and maybe dangerous About a British woman who sets out on a ship for America with the faith her Mexican GI will be waiting for her in Salt Lake City And about the grown son who looks at his father and understands how he must provide for his own boy This book's uncommon offering is how it stops to address the quiet the overlooked the every day side of growing up Capirotada is not about prison or famous heroes It is instead about the middle which is often the most interesting place to find news Capirotada was selected as the 2009 ONEBOOKAZ by the Arizona State Library Archives and Public Records
