*The Role of Leadership Educators* Kathy L. Guthrie, Daniel M. Jenkins, 2018-02-01 Leadership as a discipline leadership education as a field and leadership educator as a profession are still in their infancy and rapidly evolving As professionals in higher education we are constantly asked to provide opportunities for students to learn leadership whether that is inside or outside of the classroom However very little if any professional development occurs in how to create such learning opportunities This book provides resources for leadership educators in three sections The first section sets the stage for leadership education and the professional work of leadership educators culminating with a variety of professional development resources for leadership educators The second section introduces a leadership learning framework provides characteristics and examples of strong leadership programs and assessment practices and describes the transformative practice of leadership education The third

and final section offers specific instructional and assessment strategies ranging from discussion case study and reflection to team based and service learning to self assessments role play simulation and games to fulfill learning outcomes Graduate Students' Research about Community Colleges Deborah L. Floyd, Cristobal Salinas Jr., Ethan C. Swingle, María-Jose Zeledón-Pérez, Sim Barhoum, Gianna Ramdin, 2021-05-14 This book brings together a collection of chapters with different research designs that explore the research practice and policies of community colleges The chapters in this book are the result of the graduate students and their faculty mentor s scholarly work and a rigorous special issue s peer review process Furthermore this book offers recommendations on how to mentor graduate students in the absence of research and mentorship on how to publish for graduate students and practitioner scholars as well as recognizing that graduate programs and professional associations are important on the socialization of practitioner scholars Each book chapter addresses the implications for practice and future research policy for community colleges and recommendation for change indicated by the research results Five broad research themes higher education policy leadership practices and roles network community student success and technology emerged from the empirical articles and critical reviews A final chapter shares advice and lessons learned from the 30 authors and mentors With the exception of Chapter 14 the chapters in this book were originally published as a special issue of the Community College Journal of Research and Practice *LPI: Leadership Practices Inventory* James M. Kouzes, Barry Z. Posner, 2012-11-06 From the best selling authors of The Leadership Challenge Cover Student Engagement Sam Thiara, 2016-08-26 This study considers students in a Canadian university setting and looks at their leadership and community involvement It is the purpose of this study to examine what influences university students to get involved or not and how post secondary institutions can leverage the findings to influence greater student engagement and leadership development There is such a need to have young people active in the post secondary and community space It is important to provide a solid and positive educational experiences however this also needs to be balanced with experiential learning and unlocking the opportunities that are available to complement the classroom education The realization is that by combining education and engagement it provides a strong foundation for that student and helps them to grow personally and professionally If the student has a memorable post secondary experience they will become engaged alumni Captivating Classrooms Nicholas D. Young, Christine N. Michael, Jennifer A. Smolinski, 2018-11-23 Captivating Classrooms explores the specific role that student engagement plays in education it argues that there are myriad factors that undergird meaningful student learning and participation such as motivation exciting teaching strategies reinventing literacy instruction and authentic assessment This book is an extremely valuable handbook for school leaders teachers and support staff as well as for parents of PK 12 students aspiring educators and higher education faculty who prepare pre service teachers and administrators This is a must read for those who are committed to helping all students find their purpose and passion in education The Bloomsbury Handbook of Ethics of Care in Transformative Leadership in Higher Education Mary
