Five Smooth Stones Bruce Welty,2015-07-30 Five smooth stones come about as a result of what happens in 1 Samuel 17 40 Then he took his staff in his hand chose five smooth stones from the stream put them in the pouch of his shepherd's bag and with his sling in his hand approached the Philistine The philistine was Goliath a giant over six cubits tall who tormented God's people All trembled at the thought of facing him as it meant sure death David a young lad was not afraid He had trusted God in other battles and knew he would guide him again David did not use the armament of men but trusted God's covering to protect him While David took four extra stones he knew with God's guidance one was all he needed In this book we will attempt to give you five stones to defeat the giants in your life They are reusable Five Smooth Stones Ann

Richard Palmer,1955 **Five Smooth Stones; a Novel** Ann Fairbairn (1901 or 2-1972),1966 *Five Smooth Stones* Dorothy Tait,1966 **Five smooth stones** Ann Fairbairn, **Five Smooth Stones** John Richard,2014-12-01 **Five Smooth Stones** Frederick Ponsonby Wood,1928 **The Five Smooth Stones** of Arthur McGary,2023-12-10 THE FIVE SMOOTH STONES OF In human life some stories and symbols stay the same over time adding threads of wisdom and inspiration to our shared awareness The idea behind Five Smooth Stones comes from the story of David and Goliath in the Bible David picked

up five smooth stones before meeting with Goliath. Countless teachings amplify the drama of that fateful day yet it is not necessarily his greatest accomplishment. While it stands out clearly among the host of significant conquests, one victory does not a dynasty create. David lived a life filled with wisdom as well as acts of courage. This book should help you on your spiritual path, give you ideas, and tell you that you have the tools to face your giants just like David did with his sling and stones. May these pages help you connect with the sounds of the past and rediscover the power of the Five Smooth Stones.

Five Smooth Stones Larry LaDell Robertson, 2019-10-29. Going through the motions will never deliver amazing and transformational results in your business, your career, nor your spiritual life. To achieve the legal and God-given right to life, freedom, and happiness, every assumption, every belief, every habit, and every tradition that has become your experience must be challenged. Our assumptions about the purpose of people and relationships in our lives, our beliefs about who we are and who God is, our habits and routines in the daily navigation of our experience, and the traditions of worship, church, and spirituality should be appraised to ensure they are potent, powerful, and purposeful in bringing the happiness, health, and wealth we innately desire. So what are these smooth stones? These stones are the foundation of our relationship with God. They are the firm truths about God, others, and ourselves we've tested and know for sure. We use them as tools to learn, advance, and propel us to the happiness, health, and prosperity we were created to inherit and experience as children of God. Like David, we use these stones as weapons against our personal Goliaths: giant challenges, threats, and illusions of lack, sickness, and distress, whether imposed by others or ourselves. These stones are also reminders of how we've grown and matured from the lessons we've learned through our experiences. We lay these stones down and walk on them on this road of salvation and success. In his inaugural book *Five Smooth Stones: What I Know About God for Sure*, Larry shares his journey from religious complacency to spiritual empowerment. Through metaphysical interpretation of scripture, valuable spiritual, educational insights, and candid storytelling, this first-time author leads us through his journey to spiritual accountability and empowerment. For the believer and non-believer as well, this provocative essay will compel you to start, resume, or refocus your relationship with God.
