Children and It Illustrated E Nesbit, 2020-12-30 *Five Children and It* is a children's novel by English author E Nesbit. It was originally published in 1902 in the Strand Magazine under the general title *The Psammead or the Gifts* with a segment appearing each month from April to December. The stories were then expanded into a novel which was published the same year. It is the first volume of a trilogy that includes *The Phoenix and the Carpet* 1904 and *The Story of the Amulet* 1906. The book has never been out of print since its initial publication. While playing in a gravel pit near their new home, five children come across a Psammead or sand fairy. The sand fairy is compelled to grant the children one wish per day, and since the children ask for such fantastic wishes, they do not turn to stone at sundown as wishes of the past did. Through these wishes, the children have many magical adventures. In this book, the children Cyril, Anthea, Robert, Jane, and the Lamb begin their trilogy of adventures.
