THE 1946 PROJECT Edward D. Andrews, 2021-10-28 The claim is that in 1946 theology history culture and politics led to a biblical mistranslation of catastrophic proportions Supposedly the 1946 movie is a revolutionary documentary that chronicles how the misuse of a single word in 1 Corinthians 6 9 changed the course of modern history The 1946 Movie says that their research was a journey which unveils the mystery of how theology history culture and politics led to a Biblical mistranslation the man who tried to stop it and the impassioned academic crusade of the LGBTQIA Christian community driven to discover the truth More than 45 000 churches today still preach that homosexuality is a sin citing biblical references that condemn homosexuals 1946 Movie asks What would change if churches discovered the truth the word homosexual was added to the Bible in 1946 by mistake Was it added by mistake Andrews author of 170 books in THE 1946 PROJECT will investigate this claim and see if the filmmakers discovered the truth or created their own truth *The RISE, the FALL and the RECOVERY of the USA* Elias C. Always Before Me John Servant,2020-01-30 Always Before Me is a story about how a man who lost his dream learns to snatch victory from terrible tragedy and learns how to find what he has been looking for his entire life It is a story about what to do if your failures are always before you It is a story about three men a saint a sinner and a man like many men struggling to find his way among life's many disappointments The saint is an innocent priest sentenced to prison who shows by his words actions and patient bearing of suffering what it takes to be a saint in the modern world The sinner is a man who was accused of sexual misconduct in a high school where he had been a teacher and who because of the accusations can now only find a job as a prison psychologist The main character is another man unjustly accused of sexual misconduct and although not prosecuted is forced to give up his dream of teaching and is assigned to be a prison chaplain Each man endures many trials and much suffering that brings out the flaws and strengths in each of their characters Each man finally succeeds in his journey but only after facing many surprises and much conflict and ultimately an elaborate intrigue involving a gang leader in the prison which leads to a shocking event that will affect these men and change their destiny forever For more information about this author and his other works see <http://www.johnservantbooks.com> **Decision Making and the Will of God** Garry Friesen,J. Robin Maxson,2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for

each Christian Can you be absolutely certain of God's specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God's will yet many are still unsure whether they've found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God's will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God's will was biblically deficient Maybe there was a better way to understand HOW God guides
