the Separated Gary Chapman, 2008-09-01 The unfortunate reality is that Christians are separating and divorcing at the

same rate as the unbelieving world But does separation have to mean the end You may not feel like reconciling You may not see hope for a reunion But the biblical ideal for a separated couple is reconciliation So how do you do it When doors slam and angry words fly when things just aren't working out and even when your spouse has abandoned your trust there is hope Hope for the Separated will show you through God's Word that your marriage can be restored Recognizing that restoration will not happen for everyone Dr Chapman also gives insightful advice for those who experience the pain of divorce *The Diary of a Country Girl* Ingrid N Odle, 2020-01-15 This is the first book in the series *The Diary Of A Country Girl* a collection of inspirational readings designed to encourage and motivate you to walk out your purpose in Christ by divulging certain truths nuggets of wisdom and revelations I believe were given to me by the Holy Spirit through my own personal experiences This book is designed to be an easy read A quick read at lunchtime or on a bathroom break A moment of serenity before a busy and challenging day A breath of fresh air during the torrents of life Each segment designed to uplift and motivate you ending with supporting scripture and a challenge A challenge that just might create avenues for further self examination devotion decision and change The kind of change that will allow you to feel the presence of God and desire to know Him more If not then I've failed miserably in what I was called to do But still I won't give up I will do what I must do So in order to speak into your life and to encourage you my life has to measure up I have to be an example of what I'm saying How can I guide you without knowing the way How can I relate to you to anyone without the experience of knowing the change that is possible through God at work in my life So to give I have to first receive I cannot give anything except that which I possess So I wait on God and I pray and I live expectantly Because the revelations He gives brings life and joy and peace and knowledge and wisdom and insight into the things that touch us the most He is a loving God and He knows exactly what each of us needs
