Five Minutes With Jesus:

Five Minutes with Jesus Randal A. Wiedemann, 2015-10-29 Today's culture is overscheduled typically characterized by short attention spans We want to compress our lives into small bite sized pieces Taking this approach with Jesus can draw us into a relationship that becomes the focus of our delight Eventually our desire for true life is whetted by brief meetings with Jesus The longer we spend with Him the more His divinely radioactive life infuses ours with the power of an endless life The irony of the book title is that five minutes with Jesus is never enough Five Minutes with Jesus presents a daily devotional that focuses on meeting with Jesus in ways that may be new to some Christians Each day author Randal Wiedemann takes a look at a different aspect of Jesus the most discussed person in history Wiedemann focuses on how to live the Christian faith with delight depth meaning compassion and joy You will discover and be reminded that this is only possible when Jesus Christ lives in and through us Five Minutes with Jesus is about spending quality time with God For those who know Jesus it is a joy to go to that secret inner place of the heart and meet with Him For those who do not there may be a vague sense of looking for something You may not know what it is you are looking for but when you find it don't be surprised if it's Jesus Minutes with Jesus, Peace for Today Sheila Walsh, 2016-03-08 Jesus wants you to know peace every day Deadlines and bills illnesses and fears about the future frustrations with others and ourselves there s enough going on in our lives to make us feel overwhelmed and anxious if not panicked But Jesus said that we could expect this that trials and sorrows are simply part of life on earth and He offers an amazing gift that changes everything His peace He tells us The peace I give is a gift the world cannot give So don t be troubled or afraid John 14 27 nlt Bestselling author Sheila Walsh wants to guide you in worrying less and letting your heart be settled Each reading includes messages such as Gratitude opens doors out of bitterness and doors into joy God loves you for who you are not what you do Resting in the purpose and presence of God brings peace It's amazing what God will do with a broken life when we give Him all the pieces No matter how big the storm God is bigger The 5 Minutes with Jesus series is the perfect way to start your day with peace of mind and a peaceful heart

question HMRC plans to cut the number of customer facing staff by a third by 2015 At the same time the stresses associated with introducing the Real Time Information System Universal Credit and changes to child benefit are likely to drive up the number of phone calls to the department HMRC is also to close all of its 281 enquiry centres which give face to face advice to customers HMRC considers that it will be able to improve service standards by using its staff more flexibly It may need to put in additional resources though to avoid the kind of plummeting performance we have seen in the past *The Sunday School Journal*, 1901
