Richard Schneider,2016-10-04 In The Ecological Thought eco philosopher Timothy Morton has argued for the inclusion of  
dark ecology in our thinking about nature Dark ecology he argues puts hesitation uncertainty irony and thoughtfulness back  
into ecological thinking The ecological thought he says should include negativity and irony ugliness and horror Focusing on  
this concept of dark ecology and its invitation to add an anti pastoral perspective to ecocriticism this collection of essays on  
American literature and culture offers examples of how a vision of nature s darker side can create a fuller understanding of  
humanity s relation to nature Included are essays on canonical American literature on new voices in American literature and  
on non print American media This is the first collection of essays applying the dark ecology principle to American literature
