Five Signs Of A Functional Family:

Five Signs of a Functional Family Gary Chapman,1997 Strong functional families do exist today But if you want jto establish healthy patterns in your own family you ll need to learn how to recognize and apply the qualities they share Gary Chapman introduces them in Five Signs of a Functional Family

Setting the Captives Free Ron Clark,2005-11-01 Abuse is a problem that needs to be understood addressed and challenged The abused are humans in the image of God who need to be protected loved and empowered to stand with us and walk through life with respect and dignity When God brings a victim to us we have a responsibility to love them as we want to be loved and be faithful to that responsibility We must make sure that they and their children are safe protected and given the chance to live in peace and love Abusers are also humans who are in the image of God and they need to be taught how to live and respect all others They must be confronted and challenged to change or face prosecution by our legal system and our spiritual communities I believe that the faith community is in a great position to address this problem We have a God who grieves over the violence that occurs in families Yet we have a God who grieves even more over the fact that spiritual leaders have failed to act as servants of Yahweh in this respect The rest of this book is an appeal to you to gain an understanding of what it really means to face domestic violence and how to help bring peace and wholeness to victims and their children caught in the web of abuse It is an appeal to you to confront those who abuse others rather than shut your eyes from the Introduction
