Committee on Ways and Means**

Fixing Social Security A Statement By:

Fixing Social Security R. Douglas Arnold, 2022-04-12 How Social Security has shaped American politics and why it faces insolvency Since its establishment Social Security has become the financial linchpin of American retirement Yet demographic trends longer lifespans and declining birthrates mean that this popular program now pays more in benefits than it collects in revenue Without reforms 83 million Americans will face an immediate benefit cut of 20 percent in 2034 How did we get here and what is the solution In Fixing Social Security R Douglas Arnold explores the historical role that Social Security has played in American politics why Congress has done nothing to fix its insolvency problem for three decades and what legislators can do to save it What options do legislators have as the program nears the precipice They can raise taxes as they did in 1977 cut benefits as they did in 1983 or reinvent the program as they attempted in 2005 Unfortunately every option would impose costs and legislators are reluctant to act fearing electoral retribution Arnold investigates why politicians designed the system as they did and how between 1935 and 1983 they allocated and reallocated costs and benefits among workers employers and beneficiaries He also examines public support for the program and why Democratic and Republican representatives once political allies in expanding Social Security have become so deeply polarized about fixing it As Social Security edges closer to crisis Fixing Social Security offers a comprehensive analysis of the political fault lines and a fresh look at what can be done before it is too late Fixing Social Security Committee for Economic Development. Research and Policy Committee, 1997 The Stock Market and Social Security, the Risks and the Rewards United States. Congress. Senate. Special Committee on Aging, 1998 **President's Proposals for Revision in the Social Security System** United States. Congress. House. Committee on Ways and Means, 1967 *The Future of Social Security for this Generation and the Next* United States. Congress. House. Committee on Ways and Means. Subcommittee on Social Security, 1998

President's Proposals for Revision in the Social Security System: March 1, 2, and 3, 1967 United States. Congress. House. Committee on Ways and Means, 1967 Considers H R 5710 to amend the Social Security Act to increase benefits for the aged expand the class of eligible persons revise aid to dependent children programs expand Medicare coverage revise programs for disabled persons to provide work incentives expand child welfare provisions and modify the tax status of the elderly Along with other supplemental materials contains HEW Actuarial Study No 63 Long Range Cost Estimates for Old Age Survivors and Disability Insurance System 1966 Jan 1967 p 131 183 pt 1 Continuation of hearings on H R 5710 to amend the Social Security Act to increase benefits under the old age survivors and disability insurance system and to improve the health insurance and public assistance programs pt 2 Continuation of hearings on H R 5710 to amend the Social Security Act to increase benefits pt 3 4 **Efforts to Inform the Public about Social Security** United States. Congress. House. Committee on Ways and Means. Subcommittee on Social Security, 2000 *Social Security*, 1999

Uncharted Waters Kenneth S Apfel, Michael J. Graetz, 2005-09-01 In the debate over Social Security reform most of the

work on individual accounts has focused on how individuals would save and manage those accounts during their working lives *Uncharted Waters* goes further and addresses the often neglected questions about how and under what circumstances funds could be withdrawn from these accounts In *Uncharted Waters* a panel of recognized experts created a framework for determining how benefits might be paid if private accounts become a new part of the Social Security system or are created separate from Social Security This important volume analyzes the potential implications of different policy choices It considers the ramifications of payout rules for families at different stages of life particularly for economically disadvantaged groups The contributors also address how any new individual account program would fit with traditional Social Security employer based pensions and tax advantaged individual retirement savings 401 k s and IRAs As the debate over individual savings accounts rages *Uncharted Waters* offers a sound framework for informing public policy on both sides of the argument

Ideas for Advancing the Upcoming Debate on Saving the Social Security System United States. Congress. House. Committee on Ways and Means,1999 *Congressional Record* United States. Congress,2010 **The People's Pension** Eric Laursen,2012 Explores the potential benefits of a government independent democratized Social Security system to support dependents suffering from the reduction of other government benefits *Concurrent Resolution on the Budget* United States. Congress. Senate. Committee on the Budget,1999 *Concurrent Resolution on the Budget for Fiscal Year 2000* United States. Congress. Senate. Committee on the Budget,1999 **The Pro-Growth Progressive** Gene Sperling,2005-11-30 President Bill Clinton s National Economic Adviser addresses the main issues that were at the center of debate in Bush s second term Social security reform outsourcing and deficit reduction After two consecutive elections in which Democratic candidates failed to turn clear economic advantages into electoral victory a debate is raging over what the Democrats should do now The narrow red state blue state argument between chest beating populists and soulless centrists offers the answer to neither the country s economic future nor the political future of the Democrats In *The Pro Growth Progressive* President Clinton s longest serving national economic advisor Gene Sperling argues that the best economic strategy for our nation and the best strategy for progressives whether they be Democrat Republican or Independent is to pursue policies that are both progressive and pro growth that promote progressive values of upward mobility fair starts and economic dignity as well as embrace markets and innovation Sperling describes how both parties offer the American public impoverished choices Democrats in the sky is falling party too often pretend that the way to promote progressive values and expand the American middle class is to slow the pace of the global economy stop all outsourcing and intervene in the market Republicans of the don t worry be happy party hold fast to the bankrupt vision that the best thing for economic growth is the smallest government possible and have made the conservative deficit hawks of the 1990s an endangered species But *The Pro Growth Progressive* is neither an all out assault on the Bush agenda nor a partisan call for Democrats to move further left Both conservatives and progressives have to accept hard truths about the limitations of their approaches Drawing on his

years of policy experience Sperling lays out a third way on the issues that are dominating the news and Bush's second term social security ownership globalization and deficit reduction He explains the policy alternatives that respect the power of free markets while giving government a role in ensuring that the markets benefit all working families Focused and timely The Pro Growth Progressive offers a realistic vision of free enterprise and economic growth in which government can improve education reduce poverty and restore the country to fiscal sanity **Social Security Reform** United States. Congress. Senate. Committee on the Budget,1998 *The Impact of the Financial Crisis on Workers' Retirement Security* United States. Congress. House. Committee on Education and Labor,2008 **Hearings, Reports and Prints of the House Committee on Ways and Means** United States. Congress. House. Committee on Ways and Means,1967 **Social Security Reform** United States. Congress. House. Committee on the Budget. Task Force on Social Security,1999 Social Security Legislation United States. Congress. House. Committee on Ways and Means,1958
