Flags Into Battle:

Flags Into Battle Michael Casey, Boston Publishing Company, 1987 Uses official records and new interviews to tell the history of the American units stationed in Vietnam from 1954 to 1975 **"The Bloody Fifth" Vol. 1** John F. Schmutz, 2016-07-19 A thoroughly researched account of a legendary Confederate infantry regiment that will be of deep interest to the legion of Civil War buffs Richard M McMurry author of Two Great Rebel Armies The Fifth Texas Infantry The Bloody Fifth was one of only three Texas regiments to fight with Robert E Lee s Army of Northern Virginia Much like the army in which it served the Fifth Texas established a stellar combat record The regiment took part in thirty eight engagements including nearly every significant battle in the Eastern Theater as well as the Chickamauga Chattanooga and Knoxville campaigns in the Western Theater Based upon years of archival research complete with photos and original maps John F Schmutz s The Bloody Fifth is the first full length study to document this fabled regimental command The Bloody Fifth presents the regiment s rich history from the secession of the Lone Star State and the organization of ten independent east and central Texas companies through four years of arduous marching and fighting The Fifth Texas s battlefield exploits are legendary from its inaugural fighting on the Virginia peninsula in early 1862 through Appomattox But it was at Second Manassas where the regiment earned its enduring nickname by attacking and crushing the Fifth New York Zouaves Schmutz s book which also details the personal lives of these Texas soldiers as they struggled to survive the war some 2 000 miles from home is a significant contribution to the growing literature of the Civil War The most comprehensive thoroughly researched account of the Fifth Texas Infantry belongs in the library of every serious student of the Civil War John Michael Priest author of Stand to It and Give Them Hell **The Confederate Battle Flag** John M. COSKI, 2009-06-30 Beautiful Minds explains how and why apes and dolphins are so distantly related yet so cognitively alike and what this teaches us about another large brained mammal Homo sapiens Noting that apes and dolphins have had no common ancestor in nearly 100 million years Bearzi and Stanford describe the parallel evolution that gave rise to their intelligence **The Historian's Red Badge of Courage** Paul A. Cimbala, 2020-07-08 For someone who did not actually fight in the American Civil War Stephen Crane was extraordinarily accurate in his description of the psychological tension experienced by a youthful soldier grappling with his desire to act heroically his fears and redemption Stephen Crane s novel The Red Badge of Courage provides an extraordinary take on the battlefield experiences of a young soldier coming of age under extreme circumstances His writing took place a generation after the war s conclusion at a time when the entire nation was coming to grips with the meaning of the Civil War It was during this time in the late 19th century that the battle over the memory of the war was taking place This new annotated edition of the novel is designed to guide readers through references made through Crane s characters and how they reflect Civil War military experiences specifically how the youth s experiences reflect the reality of the multi day battle of Chancellorsville which took place in Virginia beginning on May 1 1863 and concluded on May 4 of the

same year The annotated text is preceded by introductory essays on Crane and on the Civil War Crane's short story The Veteran is also included to allow readers to better understand the post war lives of Civil War soldiers All Hands, 1974
