Krupa,2013-05-01 Robinson Forest in eastern Kentucky is one of our most important natural

landscapes and one of the most threatened. Covering fourteen thousand acres of some of the most diverse forest region in temperate North America it is a haven of biological richness within an ever expanding desert created by mountaintop removal mining. Written by two people with deep knowledge of Robinson Forest, *The Embattled Wilderness* engagingly portrays this singular place as it persuasively appeals for its protection. The land comprising Robinson Forest was given to the University of Kentucky in 1923 after it had been clear cut of old growth timber. Over decades the forest has regrown and its remarkable ecosystem has supported both teaching and research. But in the recent past as tuition has risen and state support has faltered the university has considered selling logging and mining rights to parcels of the forest leading to a student led protest movement and a variety of other responses. In *The Embattled Wilderness* Erik Reece an environmental writer and James J. Krupa a naturalist and evolutionary biologist alternate chapters on the cultural and natural history of the place. While Reece outlines the threats to the forest and leads us to new ways of thinking about its value, Krupa assembles an engaging record of the woodrats and darters, lichens and maples, centipedes and salamanders that make up the forest's ecosystem. It is a readable yet rigorous, passionate yet reasoned summation of what can be found or lost in Robinson Forest and other irreplaceable places.

**River of Fire** Mary Jo Putney, 2012-03-02. A Desperate Lord. As rebel soldier, hero, and spy, Kenneth Wilding had never known defeat. But nothing can save his heritage when he returns from the wars to an empty title and a ravaged estate. Nothing until a stranger offers a devil's bargain: financial salvation in return for Kenneth's special subversive skills. Reluctantly, Kenneth enters the household of the greatest artist in England to unmask a terrible crime. Instead, he discovers something infinitely more dangerous: a tantalizing new way of life and an irresistible woman. Everything he has always wanted and can never have. A Scandalous Lady. Her reputation ruined by a disastrous elopement, tempestuous Rebecca Seaton withdraws to her attic studio and buries herself in her painting. Then Kenneth Wilding sweeps into her life with his pirate's face and poet's soul. Warily, they slide into a duel of desire that brings both searing risks and shattering fulfillment. But Kenneth's secret mission comes between them, unleashing a danger that threatens Rebecca's life even as passion sweeps them into a river of fire that transforms their very souls.

Mary Jo Putney once again sweeps readers into a story that captures and holds their hearts, introducing old friends and bringing us a new hero and heroine. She brilliantly captures the intricacies, mores, manners, and wit of the era with panache and with her special gift for story telling that brings readers great joy. Romantic Times: *River of Fire* is intense and emotional at times, dark but never depressing. Putney has done wonders at revealing the soul, creative insight, temperament, and world of visual artists. The novel so inspired me that I, not a visual artist, was moved to try to put my emotions on paper with color and form via a visual medium, and it was exhilarating. That's how exquisite *River of Fire* is.

**Under the Covers** Book Reviews: *River of Fire* delivers more than enough drama and romance to entertain historical romance readers and reinforce Mary Jo Putney's reputation as one of the best. *The Romance Reader*. In this Regency romance, Putney offers a strong romantic relationship, good writing, and memorable characters, and a
