Trevor Hanson is a security officer aboard the cruise liner *Nebula Zephyr* with his own traumatic past as a former Special Forces soldier and prisoner of war. He's assigned to provide personal protection to Gianna during her time aboard the ship but soon finds his interest turning from professional to romantic. The two share more in common than either of them realizes, and their attraction grows as the voyage continues. But powerful enemies, including a conspiracy theory-obsessed fellow passenger and sinister individuals with hostile intentions, are watching Gianna and making plans to seize this rare opportunity to gain access to her and the secrets they believe she's still keeping about the wreck. Can Trevor overcome his personal demons and rise to the occasion to save Gianna from the danger waiting on his ship? Or will she slip through his fingers and suffer a terrible fate deferred from the day her last voyage came to a disastrous end?
