The Flying Canoe Roch Carrier, 2004-11-23 11 year old Baptiste spending the winter at a logging camp gets a chance to go back home by riding la chasse galerie the devil s canoe through the sky *The Kula* Jerry W. Leach, Edmund Leach, 1983-05-19

Cultural Techniques Bernhard Siegert, 2015-05-01 In a crucial shift within posthumanistic media studies Bernhard Siegert dissolves the concept of media into a network of operations that reproduce displace process and reflect the distinctions fundamental for a given culture Cultural Techniques aims to forget our traditional understanding of media so as to redefine the concept through something more fundamental than the empiricist study of a medium s individual or collective uses or of its cultural semantics or aesthetics Rather Siegert seeks to relocate media and culture on a level where the distinctions between object and performance matter and form human and nonhuman sign and channel the symbolic and the real are still in the process of becoming The result is to turn ontology into a domain of all that is meant in German by the word Kultur Cultural techniques comprise not only self referential symbolic practices like reading writing counting or image making The analysis of artifacts as cultural techniques emphasizes their ontological status as in between shifting from first order to second order techniques from the technical to the artistic from object to sign from the natural to the cultural from the operational to the representational Cultural Techniques ranges from seafaring drafting and eating to the production of the sign signal distinction in old and new media to the reproduction of anthropological difference to the study of trompe l oeils grids registers and doors Throughout Siegert addresses fundamental questions of how ontological distinctions can be replaced by chains of operations that process those alleged ontological distinctions within the ontic Grounding posthumanist theory both historically and technically this book opens up a crucial dialogue between new German media theory and American postcybernetic discourses

Canoe Country Roy MacGregor, 2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author s family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included Canoe Country is Roy MacGregor s celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor s own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature s quietest corners from the author best able and most eager to tell it

The Art of Kula Shirley F. Campbell, 2023-08-04 Nearly a century ago it was predicted that Kula the exchange of shell valuables in the Massim region of Papua New Guinea would disappear Not only has this prophecy failed to come true but today Kula is expanding beyond these island communities to the mainland and Australia This book unveils the many deep motivations and

meanings that lie behind the pursuit of Kula Focusing upon the visually stimulating carved and painted prow boards that decorate canoes used by the Kula voyagers Campbell argues that these designs comprise layers of encoded meaning The unique colour associations and other formal elements speak to Vakutans about key emotional issues within their everyday and spiritual lives How is mens participation in the Kula linked to their desire to achieve immortality How do the messages conveyed by the canoe boards converge with those presented in Kula myths and rituals In what ways do these systems of meaning reveal a male ideology that competes with the prevailing female ideology Providing an alternative way of understanding the significance of Kula in the Trobriand Islands The Art of Kula makes an influential new contribution to the ethnography of Papua New Guinea

Second Chance R Richard, 2009-08-01 Justin Imperiale finds that there are those who are growing and storing illegal weed in Zaya and not paying Justin his taxes He investigates and then sets up a plan to raid a main weed storehouse in Zaya The raid of the weed warehouse goes well and Justin gains weed money and more weed from a truck delivering the stuff to the warehouse Justin then leads a small scale military expedition into the area where some of the locals are growing illegal weed Justin and his men then seize all the property of the weed growing drug lords for non payment of taxes He finds that there s to be a major drug shipment up from the South of Zaya and through the territories of the few warlords who still control parts of Zaya With the help of professional train controllers Justin plans a raid on the drug train that s to transport the contraband through Zaya With the help of the train controllers his Commandos and his Voya subjects who live in the southern jungles of Zaya Justin steals a train in Golomon to the South of Zaya and hijacks the drug train cargo Justin gets the stolen train into Zaya but the train then suffers what the train people call a hot box on one of the wheel assemblies of a car The train can t be moved further without damage Justin his Commandos and the Voya set up a defence for the stalled train Army forces from Golomon to the South of Zaya then try to pursue the stolen train There s another jungle war and Justin s forces rout the Golomon forces Justin goes to the Association of Nations people in Mervon There s a considerable flap about stolen trains Justin flim flams the President of the Association of Nations and lets the President know that there will probably be trouble in Golomon The trouble will involve Justin s Voya people and Justin will intervene Justin then asks the Association of Nations to expel Golomon after he proves that the train is carrying drugs Of course Justin knows that the Association of Nations won t expel Golomon but that the discovery of drug smuggling will make further Golomon invasion of Zaya totally impractical politically A patrol boat arrives from out of space piloted by a single very beautiful woman The woman is interrogated by Head Priests of the Temples of Avern and found to be very dangerous trap for Justin He arranges to abandon the woman where she ll be captured by the Sky Path people an original inhabitant revolutionary group The woman and the Sky Path people will neutralize each other for a while He flies down to the South of Zaya and with Voya warriors invades Golomon Justin and a pitifully small force manage to fight a delaying action until Zayan soldiers can arrive The arrival of the Zayan soldiers results in a rout of the Golomon Army and Justin becomes the King of

Golomon In the wrap up of the conquest of Golomon Justin flies a very sick Voya woman to a hospital in the very South of Golomon There he becomes involved with Mokasato original inhabitants Justin then enters the Temple of The Mad King and as a result becomes the King of The Sky for the Mokasato With the help of the Mokasato Justin then conquers Helgryn the country to the South of Golomon Justin then begins the running of his new Kingdoms in Golomon and Helgryn to benefit the citizens and not just a few rich families He then receives a message in the Galactic language from the South Continent The sender claims to be from the planet Glyon *Kitawa Literary Fragments* Giancarlo M. G. Scoditti,2025-03-31 The Nowau oral texts collected in this volume were recorded by Scoditti during the several years of fieldwork on Kitawa Island Papua New Guinea devoted mainly to understanding the mental mechanisms followed by the image creators that are the makers of the kula ceremonial canoes the poets the magicians the female and male singers who perform a poetic text orally written by a poet to an oral score composed by a musician With these early works Scoditti identifies within Kitawa culture a clear distinction between the author and the performer interpreter of a given oral text be it a verbal and a non verbal one a distinction that has called into question the hypothesis that in a culture that does not know or use any form of phonetic writing a text is composed at the time of its performance so that composition and performance would coincide A first result of his interpretation is Kitawa A linguistic and aesthetic analysis of visual art in Melanesia 1990 De Gruyter Mouton then by Kitawa oral poetry An example from Melanesia 1996 ANU Press Notes on the cognitive texture of an oral mind Kitawa a Melanesian culture 2012 Sean Kingston Publishing and now Kitawa Literary Fragments How Storytelling Shapes Spacetime in a Melanesian Matrilineal Culture **Folklore of Lake Erie** Judith S. Neulander,2024-05-07 Welcome to a very different Lake Erie where ghost ships sail silently a Black Dog brings doom to sailors who see it and sea monsters swirl in the murky depths above a UFO base In Folklore of Lake Erie Judith S Neulander presents these captivating tales and many more from the smallest yet arguably the most peculiar of the Great Lakes in North America Whether you are embarking on a discovery of the vampire crypt that lurks in the shadows while Lincoln s ghost train speeds past on its eternal journey or reminiscing about the tall tales your grandfather used to share this delightful treasure trove of folklore and local traditions from the Lake Erie region contains legends and stories that are both astonishing and entertaining Endlessly captivating and easily accessible Folklore of Lake Erie is a distinctive compilation of eerie and enchanting narratives from across the years that will surprise and delight readers Just be sure to keep an eye out for any peculiar Black Dogs that may cross your path along the way Argonauts of the Western Pacific Bronislaw Malinowski,2014-04-16 Bronislaw Malinowski s pathbreaking Argonauts of the Western Pacific is at once a detailed account of exchange in the Melanesian islands and a manifesto of a modernist anthropology Malinowski argued that the goal of which the ethnographer should never lose sight is to grasp the native s point of view his relation to life to realise his vision of his world Through vivid evocations of Kula life including the building and launching of canoes fishing expeditions and the role of myth and magic amongst the Kula people Malinowski brilliantly

describes an inter island system of exchange from gifts from father to son to swapping fish for yams around which an entire community revolves A classic of anthropology that did much to establish the primacy of painstaking fieldwork over the earlier anecdotal reports of travel writers journalists and missionaries it is a compelling insight into a world now largely lost from view With a new foreword by Adam Kuper *Bookseller & Stationer and Office Equipment Journal* ,1929 **Spooky New York: Tales Of Hauntings, Strange Happenings, And Other Local Lore** S.
