Lin's Stamp News has just released Lin's Focus on Forgeries: A Guide to Forgeries of Common Stamps, a comprehensive and easy-to-use guide to help you recognize forgeries of common stamps.

"Focus on Forgeries is the only guide to help you recognize forgeries of medium-priced stamps," explained Lin's book editor Dennis O'Rourke. "And Varro E. Tyler, the world's leading expert on forged stamps, shows a glance — which stamps are genuine and which stamps are forgeries."

The 168-page book covers 150 stamp issues, from Albania to Zimbabwe, side-by-side with a genuine copy of the same issue. Clear photographs and characteristics that set the forgeries apart from the genuine stamps.

Tyler's long-time interest in the stamps of Japan as chairman of the Expertizing Committee of the International
