Focus On Jack Cole:

Focus on Jack Cole Ron Goulart, 1986 **American National Biography** John A. Garraty, Mark C. Carnes, 2005-05-12

American National Biography is the first new comprehensive biographical dictionary focused on American history to be published in seventy years. Produced under the auspices of the American Council of Learned Societies, the ANB contains over 17,500 profiles on historical figures written by an expert in the field and completed with a bibliography. The scope of the work is enormous, from the earliest recorded European explorations to the very recent past. **Like I Know Jack** MC Lee, 2016-01-21

Sequel to *If You Knew Jack*, Jack is about to embark on a new mission. Agent Anna Baxter has tried his patience on previous assignments and he expects more of the same. On the bright side, he'll also be working with Leo McCormack. The three agents must go undercover to insinuate themselves into a drug ring led by Gregor Slovik and to do so they must gain the trust of Gregor's friend, high schooler Connor White. This creates a dilemma for Jack: Connor is gay, which gives Jack an opening to make a connection with him. But should he exploit it? Luckily, Jack has Leo to turn to for advice and support, and together they try to avoid falling into the traps that arise during the mission. But Agent Baxter has an agenda of her own, one that forces Jack into a treacherous situation. **Big Deal** Kevin Winkler, 2018-02-08

Bob Fosse (1927-1987) is recognized as one of the most significant figures in post-World War II American musical theater. With his first Broadway musical, *The Pajama Game*, in 1954, the Fosse style was already fully developed, with its trademark hunched shoulders, turned-in stance, and stuttering staccato jazz movements. Fosse moved decisively into the role of director with *Redhead* in 1959 and was a key figure in the rise of the director-choreographer in the Broadway musical. He also became the only star director of musicals of his era, a group that included Jerome Robbins, Gower Champion, Michael Kidd, and Harold Prince. To equal his Broadway success in films, following his unprecedented triple crown of show business awards in 1973 (an Oscar for *Cabaret*, an Emmy for *Liza with a Z*, and a Tony for *Pippin*), Fosse assumed complete control of virtually every element of his projects. But when at last he had achieved complete autonomy, his final efforts, the film *Star 80* and the musical *Big Deal*, written and directed by Fosse, were rejected by audiences and critics. A fascinating look at the evolution of Fosse as choreographer and director, *Big Deal* by Bob Fosse and Dance in the American Musical considers Fosse's career in the context of changes in the Broadway musical theater over four decades. It traces his early dance years and the importance of mentors George Abbott and Jerome Robbins on his work. It examines how each of the important women in his adult life—all dancers—impacted his career and influenced his dance aesthetic. Finally, the book investigates how his evolution as both artist and individual mirrored the social and political climate of his era and allowed him to comfortably ride a wave of cultural changes.
