## **Focus On Loving:**

**What Is the Focus of Love?** Focus James, 2019-02-26 What Is the Focus of Love You can be happy or you can be right but you can't be both Many partners focus on making their lover wrong in a relationship and nobody wants to be around that person all the time Remember You convince a man against his will he's of the same mind still Inside of having a deep intimacy you get to be happy which is way more fulfilling than being right That's where I come in As a result of what I do people like YOU create a life you love have delicious relationships savory intimacy admiration for your significant other in partnership instead of competition and in that you fulfill one another rather than strategizing to convert one another REMEMBER What you Focus on EXXPANDS Let's Focus on the Love we really want Love Out Loud Joyce Meyer, 2011-11-02 Jesus said You must love the Lord your God with all your soul and with all your strength and with all your mind and your neighbor as yourself Luke 10:27 If one had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer love God yourself and others in that order Many Christians get mixed up about love They know they should love God and others but many do not understand that loving oneself is one third of God's equation They mistakenly think of it as selfishness or self aggrandizement Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God ourselves and others Drawing upon her previous work and teaching series as well as original devotions the author of Power Thoughts examines the three loves that we've been commanded to exhibit **Abundant Life and Loving God** Greg Wander, 2015-05-13 Abundant Life Loving God tells how one man's journey of discovery led him to find abundant life in Jesus Christ and a central place in his life for following the most important commandment to love God Greg Wander tells how he came to love God as passionately as he loves the members of his family Energized by this change in his life's priorities he looks back over his personal history in the church and reveals how loving God was rarely discussed By telling this story he hopes to help others find renewed love for God In adopting an approachable tone Abundant Life and Loving God turns its attention to topics like enjoying real relationships with God loving God spending time seeking God finding transformation in God and reviewing recommendations for spiritual leaders to encourage others in their searches for a loving God A concluding list of recommended readings grouped by topic provides guidance for one's spiritual search If you have come to the point in your life where you recognize gaps and holes in your spiritual life then this text offers support With its embraceable narrative it will provide you with scripturally grounded guidance for discovering the blessings that come with showing your love for God and receiving His grace for enjoying an abundant life **Making Love Better Than Ever** Barbara Keesling, Ph.D., 1998-06-15 Drawing from her years of professional experience as a sexual surrogate and therapist Keesling delves into the profound and complex powers of sexuality offering readers the idea that sexual exchange between loving partners contains all the elements necessary for healing and happiness touch intimacy communication physical activity

**Loving Creation** Gary Chartier,2022-09-27 Is it true that all we need is love Does love capture the essence of Christian ethics Does a love centered ethic need to be impartial in a way that leaves no room at ground level for relationships and projects What is the place of well being in an ethic of love Loving Creation The Task of Moral Life seeks to answer these questions by showing how a love ethic and an ethic of creation are not at odds but rather reinforce each other Gary Chartier articulates a love centered creation ethic or a creation centered love ethic and applies it to such issues as sex economic life love for enemies and political order In the book Chartier offers a powerful alternative both to natural law theories that seem to lose sight of the welfare of actual people and to the accounts of Christian love that embrace an alienating impartiality He develops an understanding of Christian love as focused on creation that can contribute effectively to enriching both social practices and personal lives Loving Creation is unabashedly theological But the theological considerations it adduces are ones that will allow Christians to engage in the public sphere with adherents of other religious traditions and of none It is a contribution not only to theological understanding but also to personal moral reflection to church practice and to Christian participation in public life
