People Who Count Dorothy Stein,2023-10-02 Originally published in 1995 this book confronts the contentious political issues on all sides of the population debate including immigration demographic competition gender ratios reproductive research and children s rights The book argues that lower fertility rates are preferred by women themselves are beneficial in their own right to both women and children and should not be used as a bargaining chip in any other area of the development debate Drawing on a large body of research in anthropology child psychology and population studies the book presents evidence that the poor do not necessarily have large families as form of financial security or to put them to work people without offspring are less lonely in old age immigration and refugee controls in the Northern Hemisphere have been more driven by politics than rational calculation and human rights social security does not require a large cohort of young workers This book is a challenging contribution to the development debate It presents a persuasive case for policies which recognise hopeful trends in relieving the environmental and social pressures of a globally increasing population

A Stitch in Time Kathy Lette,2005-08-02 It s brains versus Botox Lizzie s life is so perfect she has to look down to see cloud nine until she realizes she s about to hit the dreaded four oh For most women turning forty is more dangerous than wearing a bikini thong in a big surf Not Lizzie Until that is she loses her job to a younger more telegenic journalist and her husband to a sex goddess who keeps fit by doing step aerobics off her ego That s when she starts to wonder about brains versus Botox For Lizzie s sister beauty is one of the most natural and lovely things money can buy But must Lizzie go under the knife to win back the man she loves The answer is as obvious as a pre 1990s nose job This book will have you in stitches literally Love adultery death and a disastrous bikini wax

Men: A User's Guide Kathy Lette,2024-06-20 Why don t women tell jokes Because we marry them Devastatingly funny and more than a little outrageous Kathy offers up advice if he wants breakfast in bed tell him to sleep in the kitchen her inimitable insights into the battle of the sexes statistically 100% of divorces begin with marriage and some scathing observations of the decidedly less fair sex all husbands think they re Gods If only their wives weren t atheists Praise for Kathy Lette Fabulous fast paced funny unapologetically female Nobody does it better
