## **Finding Favor With The King Preparing For Your Moment In His Presence:**

*Finding Favor With the King* Tommy Tenney, 2004-12-01 Tenney takes readers to Esther's pre Islamic Persia to uncover the secrets that helped her win the heart and gain the ear of the king and save her people from destruction A Jewish girl of no royal heritage was chosen to become the Queen of Persia Was it her beauty alone or did she know an important and mysterious truth Tenney challenges his readers to move beyond formal petitions or even storming the gates of heaven to that intimate embrace of worship where the bride's petitions move the King's heart and where kingdoms people and situations begin to shift like pawns on a divine chessboard

**Finding Your Way** Tommy Tenney, 2008-01-11 In *The Ultimate Comeback* Tommy Tenney showed us how we can find restoration and healing after even the most egregious errors and from the most hopeless situations In Tenny's new book the pilgrimage of Ruth and Naomi to Bethlehem is the springboard for Tenney's message which teaches that many of the things that go wrong in our lives can be resolved or even avoided by adopting some very basic principles We desperately need to downsize reprioritize and sometimes even sacrifice less important things in order to simplify our lives In doing so we become unfettered enough to see more clearly where our priorities should lie We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system We settle on whatever gives us permission to do what we want and to acquire what we desire Ruth possessed the virtues of wisdom faith and trust and employing these while enduring personal crisis she realized that the very things she needed for inner strength and support were her family traditions What we find on this journey is that these foundational tenets lead us down a path to a place of peace and contentment to the Things that Really Matter
