that same attitude sometimes even without realizing it and applied it to our faith We want blessings but without obedience Comfort but without sacrifice Happiness but without repentance As a result we have watered down decaffeinated and diluted the message of the gospel until it really has no effect on our lives or the lives of others In Christianity Lite Glen Berteau calls us back to the full gospel message Jesus didn't come to make our normal selfish sinful lives a little better He came to radically transform life as we know it This narrow way the way of grace inspired obedience is the only way to find the real Jesus real meaning real hope and a life where we'll really live
