There are some women who don't have a desire to get married and have children. However, Samantha was not one of them. Many women in their late 30s and early 40s postpone marriage or childbearing to obtain their education, establish their careers, and become financially secure. Unfortunately, this sometimes leads to difficulties in finding Mr. Right or conceiving or both. This can be an arduous and heartbreaking time of life when it seems lifelong hopes and dreams of family may not be possible. Samantha delayed marriage until the age of 36 after she'd pursued advanced degrees and established her career not entirely by choice since Mr. Right hadn't entered her life sooner. At times she wondered if it would ever happen. Once married, she and her husband wanted kids right away only to suffer a miscarriage and the devastating diagnosis of infertility. In this book, Samantha shares her extraordinary journey of hope. You will discover how her faith in God and perseverance led her to the right husband and overcoming infertility to have their first baby at 40. Don't give up on your dreams whatever they are. You still have time. Author Dr. Samantha Fitts is an educator, specialist, special education, literacy education, leadership, and adult learning professional, development presenter, and motivator. She has been in education for over twenty years. She is extremely passionate about helping others reach their professional and personal goals in life. Avoid the errors that are stopping you from finding love with this practical manual. When we want to have a relationship, the understanding between men and women seems simply impossible. It is not surprising since we speak very different languages. *Finding Love This Time For Real* addresses this problem in clear, relaxed language that will make you feel like you're chatting with a friend. However, just as you would with your best friend, Marta Hari will say things straight to your face. This book also addresses the most common mistakes that women make when relating to a man who we are attracted to. Love, according to Marta Hari, begins with the game of seduction. A game which, like everything, has its rules, and you have to learn them if you want to win. It is a strategy game in which you have to start by knowing that you are the queen, a key piece with key movements. *Finding love this time for real* is not a book for just any woman. It appeals to brave women who have already reached their limit of love failures and are ready to take charge of their lives. [How Women Help Men Find God](#) David Murrow, 2008-05-06.
