Finding Your Lifes Calling Spiritual Dimensions Of Vocational Choice:

Finding Your Life's Calling Gregory C. Bogart,1995 This book describes the process of discovering confirming and developing a life's central work and ways to navigate the internal and external obstacles that often arise along the way A unique perspective on the search for a meaningful vocation Consciousness-Based Leadership and Management, Volume 2 Anil K. Maheshwari,2023-08-17 This two volume set examines the need for a consciousness based view of leadership which emphasizes universal human flourishing as opposed to a resource based view which focuses on sustaining a competitive advantage This approach is built around three main principles 1 Paradigm Consciousness is primary including complementary existence of opposites 2 Social Interpersonal focusing on empathy and compassion and 3 Individual experiencing Oneness and expressing creativity Volume Two is divided into two sections Each section offers a mix of qualitative and quantitative studies The first section focuses on consciousness based development of organizational capabilities such as ambidexterity flow and work life balance The second section is focused on organizational interventions such as reinvention meaning making well being and sustainability Aligning leadership practices with the notion of an unbounded consciousness this edited collection will extend literature on organizational culture leadership and sustainability contributing to solving the grand challenges facing humanity The Experience of Divine Guidance Mark Allan Kaplan,2007

Dreamwork and Self-Healing Greg Bogart,2018-03-26 There have been many previous books on the physiology of dreaming the history of dream interpretation and the meaning of specific dream symbols But there have been relatively few books exploring the moment by moment process of interpreting dreams This book guides you through this interpretive process and illustrates how dreamwork promotes emotional relational and spiritual transformation It explores how working with dreams enhances our emotional life deepens our capacity for relationship and helps us gracefully navigate change and transitions The author shows that dreamwork is a natural antidepressant is effective in transforming anger bereavement couples conflicts and impasses and aids the process of individuation The book explores archetypal themes and complexes synchronistic experiences and spiritual awakening in dreams and representations of the body in dreams The final chapter Taming Wild Horses explores animal dream symbolism and its importance for enhancing our human sexuality The book also describes the Dream Mandala a method of self transformation through the union of opposites the charged polarities of the personality

In the Company of Sages Greg Bogart,2015-01-30 Explains how to successfully navigate the process of initiation instruction testing and self transformation under the guidance of a spiritual teacher Explores how to approach a teacher for initiation and the importance of gauging your inner response and feeling of trust and resonance with the teacher Discusses the process of separating from a spiritual teacher and how to negotiate the emotional conflicts that can arise at this stage Shares the author's experiences with several remarkable teachers and details lessons learned through testing and confronting doubts and fears In the search for inner awakening and self realization a spiritual mentor can be key to

advancement Yet the process of finding an authentic spiritual teacher who resonates with you can be daunting especially for anyone who has had a negative experience with a guide Exploring the emotional nuances of mentoring relationships Greg Bogart details the path of spiritual apprenticeship the process of aligning with a teacher establishing a dynamic spiritual practice and the later stages of separation and finding the teacher within The author explores the importance of gauging your inner response and feeling of trust and resonance with a teacher and your readiness to receive initiation He explains how the teacher student relationship affects the student s state of consciousness over time and how most students eventually need to become independent from their spiritual guides Describing emotional conflicts that can arise at this stage he shows how wise teachers accept our need to separate and graduate while immature teachers try to thwart and control us Openly sharing his own personal journey the author illustrates the lasting resonance of his encounters with several provocative spiritual mentors including Swami Muktananda and Dane Rudhyar He discusses how some fierce teachers practice crazy wisdom to confront our doubts fears and fixations and to activate our dormant potentials Examining practices in Hindu and Tibetan Buddhist Yoga Sufism and Jewish and Christian mysticism he also explores the deeper mystical aspects of the guru student relationship The author shows how ultimately initiation leads the spiritual seeker to find the teacher within and how this can naturally lead to teaching others Describing nine stages of the spiritual seeker s journey the author affirms that a direct path to self liberation is still attainable through initiation and instruction in the company of sages Psychosynthesis

John Firman,Ann Gila,2010-03-10 Conceived by Italian psychiatrist Roberto Assagioli psychosynthesis is one of the first Western psychologies that addresses both spiritual development and psychological healing and growth by recognizing and supporting the particular life journey of the person the individual s own unique path of Self realization Firman and Gila present a comprehensive account of psychosynthesis providing a transpersonal integration of developmental personality and clinical theory They reveal some of the relationships between psychosynthesis and contemporary developmental research object relations theory intersubjective psychology trauma theory the recovery movement Jungian psychology humanistic and transpersonal psychology and common psychological diagnoses Case examples and practical theory designed to support both the layperson and the professional seeking to understand and facilitate psychospiritual growth are included **Astrology**

and Meditation Greg Bogart,2000-09-10 The author explores the idea that the most powerful astrological technique is a quiet meditative mind The book presents astrology as a form of active meditation where we contemplate whatever is arising with expectancy receptivity and conscious use of will to shape what unfolds The author presents meditations on the spiritual lessons of the planets and zodiacal signs and with the plentiful use of case histories describes the technique of symbol amplification which enables us to unfold the deepest meanings of chart symbols The book ends with a discussion of astrology as a spiritual practice The Primal Wound John Firman,Ann Gila,1997-01-01 Argues that a primal wounding of the human

spirit occurs in earliest human life that disrupts fundamental relationships and leads to anxiety loneliness and alienation and

shows how this wounding can be redeemed through therapy and through living one's life differently Planets in Therapy Greg Bogart, 2012-06-12 This book explores archetypal symbolism predictive technique and counseling process in therapeutic astrology Combining insights from Jungian depth psychology developmental theory alchemy and dream symbolism with the precision of planetary transits progressions and midpoints Planets in Therapy is an inspiring approach to the healing art of astrology Planets in Therapy clearly and succinctly explains the interpretation of the language and techniques of astrology the depth psychological transpersonal and spiritual meaning of planetary symbolism and its power to heal and transform Greg Bogart masterfully guides the reader through the principles of psychological astrology emphasizing the process of selftransformation spiritual evolution and discovering the meaning in every event and every moment A wide range of examples demonstrate how to apply this knowledge to skillfully help others as a counseling astrologer *The Journal of Transpersonal Psychology* ,1995 **The Cumulative Book Index** ,1996 A world list of books in the English language
