The Finished Kingdom. A Study of the Absolute Lillian DE WATERS,1924      The Finished Kingdom Lillian De Waters,1925      **The Finished Kingdom** Lillian DeWaters,2018-02-12 Sometimes we take many steps before the Way opens up clearly to us but after we have taken one that is fixed our inner vision in the right direction toward the heights other steps come naturally The Finished Kingdom provides a clear path for those searching for the higher way the way that leads from the mental plane to the spiritual realm of the fourth dimension or what Lillian DeWaters refers to as the finished kingdom While the author acknowledges that the reasoning mind has its place she points to intuition as a step beyond Reason uses the process of analysis while intuition is a state of illumined consciousness Reason searches but divine intuition knows Reason sometimes closes the door to illumination with its questions arguments and discussions but intuition labors not Intuition belongs to the high plane it is the laborless activity of Christ in you Through her personal experience and revelation Lillian DeWaters inspires the reader to open himself to Truth to rise above the mind which says miracles are not possible and to follow the example of Christ Jesus This is a present possibility and she assures us that if we can t with one stroke rise to the heights of freedom we rise stroke by stroke but we rise nevertheless Come inherit the kingdom prepared for you from the foundation of the world      *The Finished Kingdom* Lillian De Waters,1996-09 1925 the Study of the Absolute In this book is presented the Science of Reality the Science of the Absolute it lifts one into the realm of intuition inspiration illumination faith the realm of the Fourth Dimension or Cosmic Consciousness Co      *The National Union Catalog, Pre-1956 Imprints* Library of Congress,American Library Association.
