BOOK JACKET

The Tale of Tsarevich Ivan, the Firebird, and the Grey Wolf Alexander Afanasyev,2013-03 The famous Russian fairy tale about Tsarevich Ivan befriended by a clever grey wolf was recorded by the renowned folklorist Alexander Nikolayevich Afanasyev who collected and published more than 600 Russian folk tales in the middle 19th century The illustrations included in this edition were created by Ivan Yakovlevich Bilibin a famous Russian

illustrator and stage designer who was inspired by Slavic folklore throughout his career He was a prominent figure in the artistic movement Mir Iskusstva and contributed to the Ballets Russes Bartok, Hungary, and the Renewal of Tradition David E. Schneider, 2006-11-06 It is well known that Bela Bartok had an extraordinary ability to synthesize Western art music with the folk music of Eastern Europe What this rich and beautifully written study makes clear is that contrary to much prevailing thought about the great twentieth century Hungarian composer Bartok was also strongly influenced by the art music traditions of his native country Drawing from a wide array of material including contemporary reviews and little known Hungarian documents David Schneider presents a new approach to Bartok that acknowledges the composer's debt to a variety of Hungarian music traditions as well as to influential contemporaries such as Igor Stravinsky Putting representative works from each decade beginning with Bartok's graduation from the Music Academy in 1903 until his departure for the United States in 1940 under critical lens Schneider reads the composer's artistic output as both a continuation and a profound transformation of the very national tradition he repeatedly rejected in public By clarifying why Bartok felt compelled to obscure his ties to the past and by illuminating what that past actually was Schneider dispels myths about Bartok's relationship to nineteenth century traditions and at the same time provides a new perspective on the relationship between nationalism and modernism in early twentieth century music
