Flush Times Of Alabama And Mississippi:

The Flush Times of Alabama and Mississippi Joseph Glover Baldwin, 1853 *The Flush Times of Alabama and Mississippi. a Series of Sketches...* Joseph G. (Joseph Glover) Baldwin, 2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Flush Times of Alabama and Mississippi Joseph G. Baldwin, 1987-09-01 The Flush Times of Alabama and Mississippi originally published in 1853 consists of twenty six sketches and satires drawn from Joseph G Baldwin s experiences as an attorney on the turbulent Mississippi and Alabama frontiers in the 1830s and 1840s Like experiences attempted to depict a lawless and colorful era in American history Originally from Virginia the author paints vivid and authentic portraits of shifty lawyers unlettered judges and inept prosecutors as well as serious profiles of respected colleagues such as Seargent S Prentiss Even the narrator we learn is granted a license to practice law by a circuit judge who asks him not a single legal question One of the collection s most memorable characters is Ovid Bolus whom Baldwin describes as a natural liar just as some horses are natural pacers and some dogs natural setters His adventures reflect Baldwin s fascination with the meaning of the law and the legal profession under the conditions that existed on the American frontier James H Justus introduction places this new edition of The Flush Times of Alabama and Mississippi in its historical literary context According to Justus Augustus Baldwin Longstreet s Georgia Scenes published in 1835 is the volume credited as the first to exploit the southern backwoods In the vernacular realism we now call the humor of the Old Southwest Justus also notes that in the preface to his book Baldwin indirectly acknowledges his familiarity with earlier writers and one sketch Simon Suggs JR specifically pays homage to Johnson Jones Hooper The Flush Times of Alabama and Mississippi possesses enormous value for both literary scholars and historians It remains a classic not simply because it is sprightly social history but because it is also an engrossing memoir by a man of uncommon subtlety of mind who projected his own sensibility into the record **The Flush Times of Alabama and Mississippi** Joseph Glover Baldwin, 2023-07-18 Originally published in 1853 The Flush Times of Alabama and Mississippi is a satirical and irreverent look at the boom times of the American frontier Author Joseph G Baldwin takes readers on a rollicking tour of the South in the 1830s and 1840s describing the colorful characters and wild excesses of a society on the brink of change This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the

The Flush Times of Alabama and Mississippi Joseph G. Baldwin, 2017-10-13 LARGE PRINT EDITION title The Flush Times Of Alabama and Mississippi By Joseph G Baldwin SOME of these papers were published in the SOUTHERN LITERARY MESSENGER and having met with a favorable reception from the Public and a portion of the Press the author has yielded to the solicitations of his own vanity and other flattering friends and collected them in a volume with other pieces of the same general character The scheme of the articles he believes to be original in design and execution at least no other work with which he is acquainted has been published in the United States designed to illustrate the periods the characters and the phases of society some notion of which is attempted to be given in this volume The author under the tremor of a first publication felt strongly inclined to offer a sneaking apology for the many errors and imperfections of his work such as the fact that the articles were written in haste under the pressure of professional engagements and amidst constant interruptions and that he has no time or opportunity for correction and revision But he anticipated the too ready answer to such a plea If you had no time to write well why did you write at all Who constrained you If you were not in dress to see company why come unbidden into the presence of the public Why not at least wait until you were fit to be presented He confesses that he sees no way to answer these tough questions unless the apology of Falstaff for rushing into the presence of King Hal before he had time to have made new liveries stained with travel and sweating with desire to see him be a good one as inferring the zeal he had to see him the earnestness of affection the devotion but in poor Jack s case not to deliberate not to remember not to have patience to shift him was not a very effectual excuse for his coming out of sorts and we are afraid that that other Sovereign the Public is not more facile of approach or more credulous of excuses for unfortunately the ardor of an author s greeting is something beyond the heat of the Public s reception of him or as Pat expresses it the reciprocity of feeling is all on one side Without apology therefore he gives these leaves to the winds with that feeling of comfort and composure which comes of the knowledge that let the venture go as it may he loses little who puts but little at hazard **The Flush Times of Alabama and Mississippi** Joseph G.
