Focus On Jack Cole:

[Focus on Jack Cole](#) Ron Goulart,1986

American National Biography John A. Garraty,Mark C. Carnes,2005-05-12

American National Biography is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past

Like I Know Jack MC

Lee,2016-01-21 Sequel to If You Knew Jack Jack is about to embark on a new mission Agent Anna Baxter has tried his patience on previous assignments and he expects more of the same On the bright side he ll also be working with Leo McCormack The three agents must go undercover to insinuate themselves into a drug ring led by Gregor Slovik and to do so they must gain the trust of Gregor s friend high schooler Connor White This creates a dilemma for Jack Connor is gay which gives Jack an opening to make a connection with him But should he exploit it Luckily Jack has Leo to turn to for advice and support and together they try to avoid falling into the traps that arise during the mission But Agent Baxter has an agenda of her own one that forces Jack into a treacherous situation

Big Deal Kevin Winkler,2018-02-08 Bob Fosse 1927 1987 is

recognized as one of the most significant figures in post World War II American musical theater With his first Broadway musical The Pajama Game in 1954 the Fosse style was already fully developed with its trademark hunched shoulders turned in stance and stuttering staccato jazz movements Fosse moved decisively into the role of director with Redhead in 1959 and was a key figure in the rise of the director choreographer in the Broadway musical He also became the only star director of musicals of his era a group that included Jerome Robbins Gower Champion Michael Kidd and Harold Prince to equal his Broadway success in films Following his unprecedented triple crown of show business awards in 1973 an Oscar for Cabaret Emmy for Liza with a Z and Tony for Pippin Fosse assumed complete control of virtually every element of his projects But when at last he had achieved complete autonomy his final efforts the film Star 80 and the musical Big Deal written and directed by Fosse were rejected by audiences and critics A fascinating look at the evolution of Fosse as choreographer and director Big Deal Bob Fosse and Dance in the American Musical considers Fosse s career in the context of changes in the Broadway musical theater over four decades It traces his early dance years and the importance of mentors George Abbott and Jerome Robbins on his work It examines how each of the important women in his adult life all dancers impacted his career and influenced his dance aesthetic Finally the book investigates how his evolution as both artist and individual mirrored the social and political climate of his era and allowed him to comfortably ride a wave of cultural changes

[The](#)

[Comic Art Collection Catalog](#) Michigan State University. Libraries. Special Collections Division,1993 This is the most comprehensive dictionary available on comic art produced around the world The catalog provides detailed information about more than 60 000 cataloged books magazines scrapbooks fanzines comic books and other materials in the Michigan State

University Libraries America's premiere library comics collection. The catalog lists both comics and works about comics. Each book or serial is listed by title with entries as appropriate under author, subject and series. Besides the traditional books and magazines significant collections of microfilm, sound recordings, vertical files and realia mainly T shirts are included. Comics and related materials are grouped by nationality e.g. French comics and genre e.g. funny animal comics. Several times larger than any previously published bibliography, list or catalog on the comic arts, this unique international dictionary catalog is indispensable for all scholars and students of comics and the broad field of popular culture.

Dance in Musical Theatre

Phoebe Rumsey, Dustyn Martincich, 2023-12-14 From Oklahoma and West Side Story to Spring Awakening and Hamilton, dance remains one of the most important and key factors in musical theatre. Through the integration of song and dance in the dream ballets of choreographers like Agnes De Mille, the triple threat performances of Jerome Robbins, dancers the signature style creation by choreographers like Bob Fosse with dancers like Gwen Verdon and the contemporary identity driven work of choreographers like Camille A Brown, the history of the body in movement is one that begs study and appreciation. Dance in Musical Theatre offers guidelines in how to read this movement by analyzing it in terms of composition and movement vocabulary whilst simultaneously situating it both historically and critically. This collection provides the tools, terms, history and movement theory for reading, interpreting and centralizing a discussion of dance in musical theatre importantly with added emphasis on women and artists of color. Bringing together musical theatre and dance scholars, choreographers and practitioners this edited collection highlights musical theatre case studies that employ dance in a dramaturgically essential manner tracking the emergence of the dancer as a key figure in the genre and connecting the contributions to past and present choreographers. This collection foregrounds the work of the ensemble incorporating firsthand and autoethnographic accounts that intersect with historical and cultural contexts. Through a selection of essays this volume conceptualizes the function of dance in musical how it functions diegetically as a part of the story or non diegetically as an amplification of emotion as well as how the dancing body works to reveal character psychology by expressing an unspoken aspect of the libretto embodying emotions or ideas through metaphor or abstraction. Dance in Musical Theatre makes dance language accessible for instructors, students and musical theatre enthusiasts providing the tools to critically engage with the work of important choreographers and dancers from the beginning of the 20th century to today.

Dance Appreciation Dawn Loring, Julie Pentz, 2021-01-28

Dance is an activity that everyone can enjoy and Dance Appreciation will help students do just that. Dance Appreciation is written to encompass the needs of a broad range of dance students from high school to university level and is appropriate for students who are new to dance as well as those who are experienced in the art form. The text will help learners discover more about themselves, connect with dance and make it a relevant and vital part of their lives whether it is their primary course of study, eventual career path or simply a way to express themselves and enrich their lives. This text is the only dance appreciation resource that offers ancillary materials for instructors. Instructor ancillaries consisting of an

instructor guide test package and PowerPoint presentation package make the teaching experience both easier and more effective whether teaching in face to face or online settings Five video segments demonstrate elements of dance and offer associated learning and movement activities bringing the content to life for students Textbook elements such as learning objectives key terms Enduring Understanding statements Spotlight special elements and chapter discussion questions help students navigate the chapters and retain the essential content In addition related resources delivered through HKPropel supply students with learning activities individual and group projects handouts time lines suggestions for further reading video recommendations and more to facilitate the learning experience Dance Appreciation helps students understand dance from the perspectives of dancers choreographers and professionals in other careers related to dance Students are introduced to a broad range of dance genres forms and styles and they learn to forge a relationship with dance as an art form connecting it with other academic and artistic disciplines and with their own life experiences The text is organized into three parts Part I Exploring Dance provides a foundational understanding of who dances and why and it introduces the elements of dance and movement principles Part II Selected Dance Genres and Styles covers Western dance genres examining classical concert dance forms hip hop and aerial and site specific dance highlighting notable artists and events In part III Connecting With Dance students delve into aspects of dance performance and production learning approaches for viewing and responding to dance performances and exploring the role of global interactions especially through online content and social media in developing and transmitting new dance forms and styles Throughout the text readers will learn about dance related career paths Dance Appreciation offers instructors an up to date comprehensive resource complete with an array of ancillaries that ensures that students have the opportunity to become informed discerning and responsive dance audience members and gain a broad appreciation of dance as an art form and a lifetime physical activity Note A code for accessing HKPropel is not included with this ebook but may be purchased separately

Genre and Hollywood Steve Neale,2005-06-20

Genre and Hollywood provides a comprehensive introduction to the study of genre In this important new book Steve Neale discusses all the major concepts theories and accounts of Hollywood and genre as well as the key genres which theorists have written about from horror to the Western He also puts forward new arguments about the importance of genre in understanding Hollywood cinema Neale takes issue with much genre criticism and genre theory which has provided only a partial and misleading account of Hollywood s output He calls for broader and more flexible conceptions of genre and genres for more attention to be paid to the discourses and practices of Hollywood itself for the nature and range of Hollywood s films to be looked at in more detail and for any assessment of the social and cultural significance of Hollywood s genres to take account of industrial factors In detailed revisionist accounts of two major genres film noir and melodrama Neale argues that genre remains an important and productive means of thinking about both New and old Hollywood its history its audiences and its films

Fatal Distraction Arnold S. Trebach,2006-12 From the author of The Great Drug War Macmillan 1987 Unlimited

Publishing LLC 2005 and _The Heroin Solution_ Yale University Press 1982 Unlimited Publishing LLC 2006 comes another controversial study Details how current U S drug policies sap vital resources from more pressing areas of national security Includes extensive footnotes citations and bibliography *The Comics Journal* ,2007 **Wonder Woman** Noah

Berlatsky,2017-05-31 William Marston was an unusual man a psychologist a soft porn pulp novelist more than a bit of a carny and the self declared inventor of the lie detector He was also the creator of Wonder Woman the comic that he used to express two of his greatest passions feminism and women in bondage Comics expert Noah Berlatsky takes us on a wild ride through the Wonder Woman comics of the 1940s vividly illustrating how Marston s many quirks and contradictions along with the odd disproportionate composition created by illustrator Harry Peter produced a comic that was radically ahead of its time in terms of its bold presentation of female power and sexuality Himself a committed polyamorist Marston created a universe that was friendly to queer sexualities and lifestyles from kink to lesbianism to cross dressing Written with a deep affection for the fantastically pulpy elements of the early Wonder Woman comics from invisible jets to giant multi lunged space kangaroos the book also reveals how the comic addressed serious even taboo issues like rape and incest Wonder Woman Bondage and Feminism in the Marston Peter Comics 1941 1948 reveals how illustrator and writer came together to create a unique visionary work of art filled with bizarre ambition revolutionary fervor and love far different from the action hero symbol of the feminist movement many of us recall from television *The Oxford Handbook of The American Musical*

Raymond Knapp,Mitchell Morris,Stacy Wolf,2013-03 This text presents keywords and critical terms that deepen analysis and interpretation of the musical Taking into account issues of composition performance and reception the book s contributors bring a range of practical and theoretical perspectives to bear on their considerations of American musicals *Beginning*
