*Fodor's Portugal* Alison Hoffman,1993 All the essentials of a perfect trip Lodgings for all budgets including resorts hotels pousadas in castles and mountain monasteries and more Great meals at easy prices from seafood stew to suckling pig plus wonderful wine bars and authentic fado Walking and driving tours to old towns and port wine lodges palaces and churches The most beautiful beaches both secluded and swinging Special feature maps of dining lodging and sights

Fodor's Portugal Eugene Fodor,William Curtis,1975 *Fodor's Exploring Portugal* Fodor's,Tim Jepson,2005 Grayson tells the story of a miraculous ocean encounter that happened to her when she was seventeen and in training for a big swim she had already swum the English Channel twice and the Catalina Channel It was in the dark of early morning Lynne was in 55 degree water as smooth as black ice two hundred yards off shore outside the wave break She was swimming her last half mile back to the pier before heading home for breakfast when she became aware that something was swimming with her The ocean was charged with energy as if a squall was moving in thousands of baby anchovy darted through the water like lit sparklers trying to evade something larger Whatever it was it felt large enough to be a white shark coursing beneath her body It wasn't a shark It became clear that it was a baby gray whale following alongside Lynne for a mile or so Lynne had been swimming for more than an hour she needed to get out of the water to rest but she realized that if she did the young calf would follow her onto shore and die from collapsed lungs The baby whale eighteen feet long was migrating on a three month trek to its feeding grounds in the Bering Sea an eight thousand mile journey It would have to be carried on its mother's back for much of that distance and was dependent on its mother's milk for food baby whales drink up to fifty gallons of milk a day If Lynne didn't find the mother whale the baby would suffer from dehydration and starve to death Something so enormous the mother whale was fifty feet long suddenly seemed very small in the vast Pacific Ocean How could Lynne possibly find her This is the story part mystery part magical tale of what happened
