Folk Music And Dances Of Ireland:

Folk Music & Dances of Ireland Breandán Breathnach,1971 This short account of the folk music and dances of Ireland is offered as an introduction to the subject It derives from an acquaintance with this music at first hand over many years from knowledge gained in discussion with other practitioners and from research and reading Foreword

Folk Music and Dances of Ireland Breandán Breathnach,1977 **Folk Music and Dances of Ireland** ,1996 **Folk Music and Dances of Ireland** ,1989 **The Companion to Irish Traditional Music** Fintan Vallely,1999-09 The Companion to Irish Traditional Music is not just the ideal reference for the interested enthusiast and session player it also provides a unique resource for every library school and home with an interest in the distinctive rituals qualities and history of Irish traditional music and song BOOK JACKET **Irish Folk Music and Song** Donal O'Sullivan,1952 **Irish Folk Music** Francis O'Neill,1910 **The Globalization of Irish Traditional Song Performance** Susan H. Motherway,2016-03-09 In The Globalization of Irish Traditional Song Performance Susan Motherway examines the ways in which performers mediate the divide between local and global markets by negotiating this dichotomy in performance practice In so doing she discusses the globalizing processes that exert transformative influences upon traditional musics and examines the response to these influences by Irish traditional song performers In developing this thesis the book provides an overview of the genre and its subgenres illustrates patterns of musical change extant within the tradition as a result of globalization and acknowledges music as a medium for re negotiating an Irish cultural identity within the global Given Ireland s long history of emigration and colonisation globalization is recognised as both a synchronic and a diachronic phenomenon Motherway thus examines Anglo Irish song and songs of the Irish Diaspora Her analysis reaches beyond essentialist definitions of the tradition to examine evolving sub genres such as Country Irish Celtic and World Music She also recognizes the singing traditions of other ethnic groups on the island of Ireland including Orange Order Ulster Scots and Traveller song In so doing she shows the disparity between native conceptions and native realities in respect to Irish cultural Identity Focus: Irish Traditional Music Sean Williams,2013-02 Focus Irish Traditional Music is an introduction to the instrumental and vocal traditions of the Republic of Ireland and Northern Ireland as well as Irish music in the context of the Irish diaspora Ireland s size relative to Britain or to the mainland of Europe is small yet its impact on musical traditions beyond its shores has been significant from the performance of jigs and reels in pub sessions as far flung as Japan and Cape Town to the worldwide phenomenon of Riverdance Focus Irish Traditional Music interweaves dance film language history and other interdisciplinary features of Ireland and its diaspora The accompanying CD presents both traditional and contemporary sounds of Irish music at home and abroad **Irish Folk Music Song and Dance** Donal Joseph O'Sullivan,1952 **Sources of Irish Traditional Music c. 1600-1855** Aloys Fleischman,2016-12-05 First Published in 1998 Irish traditional music is one of the richest treasuries of folk music in the world Being an oral tradition much of it has already been lost and what has been recorded is only partially

available in isolated collections Until now no composite picture has yet been presented showing its remarkable range and diversity over four centuries This volume covers Irish materials in general collections up to 1800 and in Irish collections up to and including Petrie's *Ancient Music of Ireland* 1855 The purposes of the project are to identify Irish dance tunes and songs to present the scholar with a mass of material showing the evolution of the Irish vocal and instrumental folk style period by period from the earliest recorded tune up to the middle of the last century to put into circulation many of the splendid airs which were lost but have now been located Some 6 000 songs and dance tunes are presented also including Scottish and English tunes Included are Scottish tunes that were used by 18th century Irish poets for their verses and both English and Scottish tunes that are still current among Irish traditional musicians Tunes of present day currency which do not seem to be included may still be located by comparing their first 12 notes in the thematic index at the end of the volume To make the vast array of material readily available an index allows readers to locate a tune by its melodic incipit by any of its titles or by the first line of its text Unfortunately the vast majority of Irish songs noted up to the end of the last century lack texts since the collectors were ignorant of the Irish language But almost every other facet is covered provenance tonality structure and variants

A History of European Folk Music Jan Ling, 1997 The aim of this study is to increase understanding of folk music within an historical European framework and to show the genre as a dynamic and changing art form The book addresses a plethora of questions through its detailed examination of a wide range of music from vastly different national and cultural identities It attempts to elucidate the connections between and the varying development of the music of peoples throughout Europe firstly by examining the ways in which scholars of different ideological and artistic ambitions have collected studied and performed folk music then by investigating the relationship between folk and popular music Jan Ling is Professor of Musicology at Göteborg University Sweden

Step Dancing in Ireland Dr Catherine E Foley, 2013-10-28 For many people step dancing is associated mainly with the Irish step dance stage shows Riverdance and Lord of the Dance which assisted both in promoting the dance form and in placing Ireland globally But in this book Catherine Foley illustrates that the practice and contexts of step dancing are much more complicated and fluid Tracing the trajectory of step dancing in Ireland she tells its story from roots in eighteenth century Ireland to its diverse cultural manifestations today She examines the interrelationships between step dancing and the changing historical and cultural contexts of colonialism nationalism postcolonialism and globalization and shows that step dancing is a powerful tool of embodiment and meaning that can provoke important questions relating to culture and identity through the bodies of those who perform it Focusing on the rural European region of North Kerry in the south west of Ireland Catherine Foley examines three step dance practices one the rural Molyneaux step dance practice representing the end of a relatively long lived system of teaching by itinerant dancing masters in the region two Rinceoir na R ochta a dance school representative of the urbanized staged competition orientated practice cultivated by the cultural nationalist movement the Gaelic League established at the end of the nineteenth century

and practised today both in Ireland and abroad and three the stylized commoditized folk theatrical practice of Siamsa T re the National Folk Theatre of Ireland established in North Kerry in the 1970s Written from an ethnochoreological perspective Catherine Foley provides a rich historical and ethnographic account of step dancing step dancers and cultural institutions in Ireland
