From Pentecost To The Present:

Pentecost To The Present Jeff Oliver,2017-02 Contrary to popular belief miracles did not pass away with the twelve apostles If anything the Pentecostal sparks that were lit by them continued to spread throughout the known world In this first installment the reader will learn how Jesus and the apostles established the concept of the Holy Spirit's abiding presence in the church laying the groundwork for a Christian initiation that included salvation and Spirit baptism. The reader will see how spiritual gifts operated through the twelve apostles as they spread Christianity into the known world. How bold witnesses supernatural signs and practical love resulted in massive expansion of the early church despite extreme persecution. How Montanism tried to revive the church from moral decay through strict living and prophetical gifts before it was rejected. How Emperor Constantine I reunited the Roman Empire under a new Christian friendly regime. How the new state run churches overrun with sin caused many to flee to the wilderness resulting in another intense spiritual revival. How the Middle Ages featured the mass conversion of much of northern Europe through miracle working missionary monks followed by a period of great jubilation mystical faith and charismatic revivals and ending with the incredible healing ministry of Vincent Ferrer

A History of the Church James B. North, Don Umphrey, 1991 Church history books must choose either brevity or thoroughness A History of the Church does an excellent job combining both Although it has been used as a college textbook it also has been used successfully in local churches and personal study of church history as well From Pentecost to the **Pentecost To The Present Book Two** Jeff Oliver, 2017-04-01 Jesus once spoke of a time **Present** James B. North, 1983 when men would sleep and an enemy would come and sow tares among the wheat The Renaissance the Enlightenment and the Modern Age were just such a time In this second installment the reader will learn how signs and wonders played roles in the foundations of nearly every new state church Free Church and denomination How Catholicism countered with its own reformation that included a revival of mysticism a new army of spiritual soldiers and the discovery of the New World How restorationist movements countered the intellectual revolutions of their day with revivals of faith in the supernatural How a decade long prayer meeting shaped the future of revivalism affecting both England's Wesleyan Revival and America's First Great Awakening How the French Revolution replaced Christianity with liberalism as the world's dominant ideology How many Americans countered this new revolution with a Second Great Awakening How Phoebe Palmer began the modern Holiness movement and Jeremiah Langhier launched a worldwide Laymen s Prayer Revival How many Americans reunited after the Civil War with a series of Holiness Camp Meetings followed by a similar Higher Life movement in Britain and later a new stream of American healing ministries **Pentecost To The Present** Jeff Oliver, 2017-02-01 **Pentecost To The Present Book Three** Jeff Oliver, 2017-06-01 Without knowing the Holy Spirit's work in history we cannot possibly understand what He is doing today much less prepare for what He will do In this third and final installment the reader will learn how Charles Parham founded the modern Pentecostal baptism with speaking in tongues how Evan Roberts gained

worldwide attention through the 1904 05 Welsh revival and how William Seymour spearheaded an international Pentecostal movement from Azusa Street in Los Angeles in 1906 The reader will learn how Pentecostalism spawned new denominations national and international ministries global renewal movements and inspired innovators to take modern revivalism to a whole new level Then when Pentecostalism penetrated American Middle class Protestantism many observers began speaking of a third force in Christianity Meanwhile revolutionary changes in the Catholic Church opened the door for the Catholic Charismatic Renewal Then just as the charismatic movement was beginning to subside in America it went global as charismatic mega churches Bible schools and television networks took the message of renewal to the world The twenty first century has witnessed a dramatic shift in Christianity to the Southern Hemisphere fueled in part by the global rise of Pentecostalism with many new movements on the horizon The History of Christianity James B. Ott, 2021-11-16 This readable survey on the history of missions tells the story of pivotal turning points in the expansion of Christianity enabling readers to grasp the big picture of missional trends and critical developments Alice Ott examines twelve key points in the growth of Christianity across the globe from the Jerusalem Council to Lausanne 74 an approach that draws on her many

years of classroom teaching Each chapter begins with a close up view of a particularly compelling and paradigmatic episode in Christian history before panning out for a broader historical outlook The book draws deeply on primary sources and covers some topics not addressed in similar volumes such as the role of British abolitionism on mission to Africa and the relationship between imperialism and mission It demonstrates that the expansion of Christianity was not just a Western driven phenomenon rather the gospel spread worldwide through the efforts of both Western and non Western missionaries and through the crucial ministry of indigenous lay Christians evangelists and preachers This fascinating account of worldwide Christianity is suitable not only for the classroom but also for churches workshops and other seminars Times.
