Paul,2012-05-01 In depth exegesis from a renowned Hebrew scholar This Eerdmans Critical Commentary volume is Shalom Paul s comprehensive all inclusive study of the oracles of an anonymous prophet known only as Second Isaiah who prophesied in the second half of the sixth century B C E Paul examines Isaiah 40 66 through a close reading of the biblical text offering thorough exegesis of the historical linguistic literary and theological aspects of the prophet s writings He also looks carefully at intertextual influences of earlier biblical and extrabiblical books draws on the contributions of medieval Jewish commentators and supports the contention that Second Isaiah should include chapters 55 66 thus eliminating the need to demarcate a Third Isaiah      **The Preacher's Analyst** ,1881      **The Sunday Magazine** ,1884      *THE PASSAGE WAY OF GOD* BADMUS IBRAHIM,      *The Words of the Apostles* Rudolf Stier,1869

**The Complete Works of George MacDonald (Illustrated Edition)** George MacDonald,2023-12-07 The Complete Works of George MacDonald Illustrated Edition presents a compendium of MacDonald s pivotal contributions to fantasy literature and spiritual allegory intricately interwoven with superb illustrations This edition encapsulates MacDonald s unique narrative style characterized by its lyrical prose vivid imagery and rich symbolism which elevates the realms of allegory and fairy tale As a forerunner of modern fantasy MacDonald deftly explores themes of morality redemption and the

interplay between the earthly and mystical inviting readers to traverse not merely the outer landscapes but the inner sanctum of the human soul through works such as *Phantastes* and *The Princess and the Goblin* George MacDonald a profoundly influential Scottish author and poet of the 19th century is often heralded as the grandfather of modern fantasy literature His devout Christian faith and extensive theological inquiries inspired his imaginative narratives reflecting his belief in the transformative power of love and grace His friendship with literary giants such as Lewis Carroll and his influence on contemporaries like C S Lewis underscore his significance within the literary canon Such intellectual network and theological grounding greatly informed his creative vision I highly recommend this illustrated edition to both scholars and enthusiasts of literary fantasy Its enriched textual exploration allows for a deeper engagement with MacDonald s themes and philosophies while the illustrations breathe new life into his historic tales This work not only appeals to admirers of fantasy but also serves as a testament to MacDonald s enduring significance in the exploration of spiritual truths through the lens of enchanting storytelling

*Yeshua: Book of Deliverance* Richard Lane,2020-07-20 This book is the most complete and informed way to give you the children s bread and our instruments of spiritual warfare and inner healing In this is listed as many ways of combating devils as is possible and how to deal with these from a personal level to a long distance level in every operation and every way they try to muster This book is designed to let you pinpoint the area of where you need help whether it s in self deliverance or delivering others by God through you in many areas most applicable This is for all believers from beginners to seasoned veterans of spiritual warfare for all apostles bishops deacons prophets evangelists pastors teachers and the congregations of the saints and to all whom are called to be soldiers of Yeshua If you re not a believer and you have asked God for help as your last ditch effort and in return you had promised to follow Him and give yourself to He who is without religion being forced upon you this book is for you too as well as those who have demonic activity who don t know where to go or who to turn to especially without feeling shunned ashamed or disfellowshipped **Sweeter Than Honey**

Greg Hinnant,2013-06-04 Want to satisfy your heart with God s sweetly flowing truths applied to your life Here s a biblical honeycomb for you *An Exposition Upon the Epistle of Jude* William Jenkyn,1863 *Unspoken Sermons Series I, II, and III* George Macdonald,2012-11-26 MacDonald rejected the doctrine of penal Substitutionary atonement as put forward by John Calvin which argues that Christ has taken the place of sinners and is punished by God in their place believing that in turn it raised serious questions about the character and nature of God Instead he taught that Christ had come to save people from their sins and not from a Divine penalty for their sins The problem was not the need to appease a wrathful God but the disease of cosmic evil itself *God-Man And It Just Had to Be* Dr. Tony G. Minyard,2024-04-30 This book took some great thought to write but And It Just Had to Be is paramount to everything that Christianity stands for The work of Jesus Christ His death and resurrection is crucial to our faith The key factor is the oneness of Christ in us This book highlights the factor of what Christ really did for us to appease the wrath of God The choice is freewill The truth is we have been translated from

darkness to light We are all sinners saved by the grace of God but we have to accept this gift to have eternal life However if you reject this gift then the wrath of God is on you my friend There were elements that were very personal that happened during my rebellious years in unbelief and it happens to many people It s sad but it does right Trust me learn from my mistakes please repent really quick You don t know what the price is I talk about surrender being the first step to accepting Jesus as Lord and Savior Salvation is a onetime event if it s genuine but throughout your life it s an everyday deal the real one Sometimes we ride the fence and think everything is A OK but it s not Please have intimacy with God He loves us very much The Christian life ends when we re at the Judgment Seat of Christ I hope no one appears at the Great White Throne Judgment I covered many topics in this book to illustrate biblical concepts for you to grasp the truth This is very serious stuff in the eyes of God The purpose of this book is for you to make the right choice repent or not Remember God believes in you You might be in that rebellious life but just surrender back to God

**Strange Acts** Rick Strelan,2014-12-02 This book examines many of the strange events and actions in Acts in the context of the Hellenistic world and from that perspective These events and actions include the ascension of Jesus direction by the Spirit visions angelophanies prison escapes and resuscitations of the dead Many of these events are either avoided in scholarship or are investigated with an agenda other than to understand them for themselves The book constructs an ancient audience to be one that has a close familiarity with the Septuagint and with other Greek and Latin writings The culturally strange events are then interpreted through the lens of these texts
