American Bookseller ,1985 *J.R.R. Tolkien's Gandalf and Saruman in the Tradition of Shakespeare's Prospero* Christoph Höbel, 2010-02 Seminar paper from the year 2005 in the subject English Language and Literature Studies Literature grade 2.7 University of Trier Fachbereich II Anglistik course The Tempest and Its Followers language English abstract The figure of the wizard can be considered as one of the most interesting characters in modern fantasy literature Normally wizards are seen as old wise men with long beards robes and staffs who have great knowledge about the world and its history due to long studies and books However there are a few ancestors of the wizard as he is seen today in Arthurian legends you can find Merlin and in Shakespeare s plays Prospero is the great wizard In creating Prospero Shakespeare conjured an image of the wizard traces of which can still be found in modern literary figures As Prospero can be seen as providing one of the basic templates for the figure of the wizard it is interesting to the similarities between wizards like him and wizards in modern fiction In the novel The Lord of the Rings J R R Tolkien describes two wizards who settled the image of the modern wizard in the reader s mind Gandalf and Saruman As Gandalf became a cult figure in the late 1960s his opponent Saruman cannot reach his popularity However the two wizards show the two sides of magic between which a wizard can choose good versus evil In the novel the wizard plays a crucial super heroic role and thus the wizard is manifested as a basic of fantasy literature Taking into account that Prospero s character has good and bad attitudes in Shakespeare s The Tempest it is interesting to examine the relationship between him and his descendants Gandalf and Saruman as the embodiments of good and evil Three main aspects will be analysed the sources of the three wizards magic where their power is situated how to evaluate the use of magic whether it is good or bad and in which way the magic is manifested in the outer world Some abstractions should be considered **Aesop's Fables** Aesop, 1988 Thirty fables of Aesop including The Hare

and the Tortoise The Ant and the Grasshopper and Androcles and the Lion *The Story of Myth* Sarah Iles

Johnston,2018-12-03 Sarah Iles Johnston argues that the nature of myths as gripping tales starring vivid characters enabled them to do their most important work sustaining belief in the gods and heroes of Greek religion She shows how Greek myths and the stories told by all cultures affect our shared view of the cosmos and the creatures who inhabit it Storytelling

Across Worlds: Transmedia for Creatives and Producers Tom Dowd,Michael Niederman,Michael Fry,Josef Steiff,2015-01-30 Don't restrict your creative property to one media channel Make the essential leap to transmedia From film to television to games and beyond Storytelling Across Worlds gives you the tools to weave a narrative universe across multiple platforms and meet the insatiable demand of today's audience for its favorite creative property This the first primer in the field for both producers and writers teaches you how to Employ film television games novels comics and the web to build rich and immersive transmedia narratives Create writing and production bibles for transmedia property Monetize your stories across separate media channels Manage transmedia brands marketing and rights Work effectively with writers and producers in different areas of production Engage audiences with transmedia storytelling Up to date examples of current transmedia and cross media properties accompany each chapter and highlight this hot but sure to be enduring topic in modern media

Building Imaginary Worlds Mark J.P. Wolf, 2014-03-14 Mark J P Wolf's study of imaginary worlds theorizes world building within and across media including literature comics film radio television board games video games the Internet and more Building Imaginary Worlds departs from prior approaches to imaginary worlds that focused mainly on narrative medium or genre and instead considers imaginary worlds as dynamic entities in and of themselves Wolf argues that imaginary worlds which are often transnarrative transmedial and transauthorial in nature are compelling objects of inquiry for Media Studies Chapters touch on a theoretical analysis of how world building extends beyond storytelling the engagement of the audience and the way worlds are conceptualized and experienced a history of imaginary worlds that follows their development over three millennia from the fictional islands of Homer's Odyssey to the present internarrative theory examining how narratives set in the same world can interact and relate to one another an examination of transmedial growth and adaptation and what happens when worlds make the jump between media an analysis of the transauthorial nature of imaginary worlds the resulting concentric circles of authorship and related topics of canonicity participatory worlds and subcreation's relationship with divine Creation Building Imaginary Worlds also provides the scholar of imaginary worlds with a glossary of terms and a detailed timeline that spans three millennia and more than 1 400 imaginary worlds listing their names creators and the works in which they first appeared

Perspectives on Translation Anna Bączkowska, Anna Drogosz, 2016-05-11 This volume offers a selection of issues currently encountered by scholars working within the broadly understood discipline of Translation Studies The contributions here discuss topical and recurrent issues which have long been at the forefront of this discipline such as phraseology corpora quality of interpreting translator training censorship style proper names and receptor oriented translation In addition they also deal with relatively recent developments such as humour and multimodality in audiovisual translation and those problems rarely conclusively addressed in the context of translation namely impoliteness and paratexts Bringing together authors from eight countries namely the UK Spain Germany Austria Poland Italy the USA and New Zealand the volume offers research into translation from a variety of methodological solutions and conducted across eight languages

English Spanish Catalan Polish German Italian Chinese and Greek Despite the diversity of themes presented the main research areas emerging from all the contributions fall into four thematic groups 1 lexicological issues and corpora in translation studies 2 quality and translator training 3 audiovisual translation and 4 literary translation *Exploring the Collective Unconscious in the Age of Digital Media* Schafer, Stephen Brock, 2016-01-28 For decades we have witnessed the emergence of a media age of illusion that is based on the principles of physics the multidimensionality immateriality and non locality of the unified field of energy and information as a virtual reality As a result a new paradigm shift has reframed the cognitive unconscious of individuals and collectives and generated a worldview in which mediated illusion prevails Exploring the Collective Unconscious in a Digital Age investigates the cognitive significance of an altered mediated reality that appears to have all the dimensions of a dreamscape This book presents the idea that if the digital media sphere proves to be structurally and functionally analogous to a dreamscape the Collective Unconscious researched by Carl Jung and the Cognitive Unconscious researched by George Lakoff are susceptible to research according to the parameters of hard science This pivotal research based publication is ideally designed for use by psychologists theorists researchers and graduate level students studying human cognition and the influence of the digital media revolution *Chemical Abstracts* ,1911

American Craftsmen Tom Doyle, 2024-03-26 In modern America two soldiers will fight their way through the magical legacies of Poe and Hawthorne to destroy an undying evil if they don't kill each other first US Army Captain Dale Morton is a magician soldier a craftsman After a black ops mission gone wrong Dale is cursed by a Persian sorcerer and haunted by his good and evil ancestors Major Michael Endicott a Puritan craftsman finds gruesome evidence that the evil Mortons formerly led by the twins Roderick and Madeline have returned and that Dale might be one of them Dale uncovers treason in the Pentagon's highest covert ranks He hunts for his enemies before they can murder him and Scherie a new friend who knows nothing of his magic Endicott pursues Dale divided between his duty to capture a rogue soldier and his desire to protect Dale from his would be assassins They will discover that the demonic horrors that have corrupted American magic are not bound by family or even death itself In Tom Doyle's thrilling debut *American Craftsmen* Seal Team Six meets ancient magic with the fate of the United States hanging in the balance
